zu viele Wiederholungen... Von Martina S. Als großer Suzanne Brockmann-Fan habe ich mir natürlich auch dieses Buch gekauft, auch wenn ich wusste, dass einige schon veröffentlichte Kurzgeschichten drin sind. Nur leider waren auch Geschichten dabei, die die Autorin in ihren Count-downs vor den Erscheinungsterminen der Troubleshooters Serie bereits veröffentlicht hatte.

**Kurzbeschreibung** New York Times bestselling author Suzanne Brockmann, whom USA Today calls the reigning queen of military suspense, breaks out a rapid-fire collection of pulse-pounding, heart-tugging stories and novellas featuring the intrepid men and women of Troubleshooters Inc., fiction's hottest ultimate counterterrorism squad. Tough-as-nails Troubleshooters operative Sam Starrett learns the agony of loving someone in danger and the hell of waiting on the home front as his wife, Alyssa, hurtles into a foreign hotspot that's about to boil over. Navy SEAL Frank O'Leary's ill-fated holiday reunion with his older brother takes a turn for the better when a chance encounter on a rainy New Orleans street gives Frank a reason to be thankful after all. In a maze of tunnels deep beneath a military base in Germany, Jules Cassidy, Alyssa Locke, and their comrades in arms match wits with terrorists on a mission with explosive consequences. Plus more never-before-released adventures featuring Jenk, Izzy, Gillman, Lopez, Kenny, Savannah, and other members of SEAL Team 16 along with Suzanne Brockmann's exclusive interviews with her beloved characters. Looking for the best kind of trouble? You've found it! Praise for *Headed for Trouble* Through [Suzanne Brockmann's] efficient writing we witness the emotions and struggles these operatives and their loved ones endure while on their dangerous missions. A perfect fit for any die-hard Troubleshooters fan. RT Book s Well done . . . Interviews, conversations, and short pieces are all part of this satisfying collection that relates events (and emotions) that . . . are critical to a character's backstory or development or are just plain interesting. . . . The real market for these engaging short stories and novellas is the dedicated Troubleshooters fan (and libraries that serve them); they won't be disappointed! Library Journal A great way to meet up with old friends and remember old times. Fort Worth Star-Telegram Those of us who have followed Suzanne Brockmann's Troubleshooters for years can never seem to get enough. I can say that she was my first romantic suspense obsession and the one by whom I judge all SEAL stories. Her authenticity in the genre hasn't been matched, in my opinion. . . . This is an awesome addition to anyone who has followed the Troubleshooters series and would love all of the extras bound up in one edition. Under the Cover [Brockmann's] books have romance, the sweetness of meeting someone and connecting, some sexy steam and a great happily-ever-after. . . . *Headed for Trouble* was very satisfying and made me just want more. Badass Book s These stories had me on the edge of my seat, laughing, and even crying. I hope you guys will pick up not only this book but this whole series. I promise you will not be disappointed. Guilty Pleasures Book s From the Paperback edition.
