Its a great story of Love, honesty and trust. When Dr. Hart arrives in the west he is lonely since his fiancee has stayed in the East. His yearning for friendship and companionship drives him to the bording house where he and the owner Jane Sparks Form a close friendship. Where the story goes from there is on a long adventure of mixed emotions and torn trusts. When the Children from Children's Aid arrive looking for a home things really get moving. A must read for anyone who loves a great book!0 von 0 Kunden fanden die folgende Rezension hilfreich. Austin does it again!Von Ein KundeCassandra Austin writes bestseller after bestseller!
