Von Robin D. Owens : Heart Fate (Celta Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Heart Fate (Celta Series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Finally Cratag get's his heart mateVon starbooksIHQuite an interesting read. Learn about the new catalyst flair and find out

more about Avellana Hazel. Signet has long been yearning for company and now finds out that all those friends only left her because her flair brought change for the better in their lives which made them move on. That being discovered she is approached by the young prophet Muin (Vinni) T'vine to help Avellana with her first passage and is soon on a journey to discover the workings of her flair. Cratag Maytree who has appeared in previous stories as loyal and wise part of the Holly household (I liked him immediately, since Heart Duel) is appointed as guardian for Signet and Avellana. As the story unfolds, it turns out that his services are needed. For a change, in this story we have a not so dramatic heart mate story line which I enjoyed very much. Good to know that even if heart mate courting rarely runs smoothly (as we have learned from the previous books) but it can be nice and (almost) easy, too. The development and suspense around Avellana are quite catching and the character of Muin gets more facets, too, which I always find interesting. I would recommend the book for all of us Celta fans.

Kurzbeschreibung Wed to a wealthy older man when she was just a girl, Lahsin Yew runs away from her abusive home to find a new life. At seventeen, she's about to enter her Second Passage, when her Flair and perhaps her HeartMate will be revealed. Lahsin finds sanctuary in a secret garden, where she meets Tinne Holly. Though he is her HeartMate, he cannot tell her, and her troubled past prevents her from trusting any man. Pretending to find her by chance, Tinne helps her through her Second Passage. But when the truth is revealed, can she forgive his deception, and learn to trust in her destiny? From Publishers Weekly Owens's latest entry in the Heart series (Heart Dance, etc.) is a touching tale of learning to trust again. Lahsin Burdock Yew is an underage noblewoman being abused by her brutish husband. When she comes of age, she repudiates her marriage and flees to a sanctuary where she can go through her Second Passage, a difficult and sometimes deadly ritual that will cause her magical Flair to be revealed. Meanwhile, nobleman Tinne Holly is recovering from a scandal: his wife has divorced him, making it the first divorce in noble history. Tinne knows that Lahsin is his Heartmate (his soul mate), but he is forbidden by law from telling her. Instead he goes to the sanctuary to heal his own broken heart and try to protect Lahsin from her Passage and help tend to her emotional wounds. But as they grow closer, the specter of Lahsin's ex-husband looms, threatening her freedom and their happiness. Even for readers unfamiliar with the Heartworld, Owens makes it easily accessible and full of delightful conceits such the Residences, houses with consciousnesses and personalities. (Sept.)
