Rezension hilfreich. Apokalypse Now! Von CustomerFr alle die das groartige Epik-Film Apokalypse Now geliebt haben, ist Empfehlenswert. So eine Geschichte kann dich zeigen, wie man in relativ kurze Wrtter eine die beste Film aller Zeiten erschaffen kann. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Dark, darker, heart of darkness Von Clarissa This well-written book describes the journey of young man up what is likely to be the Congo River to a trading station, where the head of it is about to die. It is by all means a dark and little pleasant narration but most certainly very insightful as it shows the attitudes of the colonial representatives in those far corners of Africa and also the corruption, brutality and their lack of understanding of the natives! A much discussed and contradictory novel worth reading. This edition however comes without a foreword or any additional material, which might be a bit problematic.
