SuperVon Anna D.'Heart of Fire' ist der 2. Teil der Hearts Triologie1. Heart of Honor2. Heart of Fire3. Heart of CourageDie Charaktere der Bcher berschneiden sich zwar, die Handlungen sind aber voneinander getrennt.Coralee

Whitmore ist überzeugt, dass der Tod ihrer Schwester und ihres Babys kein Selbstmord war, wie die Behörden behaupten. Sie ist überzeugt, dass sowohl der Vater des Babys wie auch der Mörder ihrer Schwester auf Castle Tremaine zu finden sind. Corrie gibt sich als verarmte Verwandte aus und zieht auf Castle Tremaine ein, um Nachforschungen anzustellen. Lord Tremaine selbst ist gar nicht das, was Corrie erwartet hat und schon bald fällt es beiden schwer der Anziehungskraft zu widerstehen. Doch nicht nur Corries falsche Identität stellt ein Problem dar. Noch immer treibt ein Mörder sein Unwesen in der Gegend. Wieder einmal ein packendes Werk von Kat Martin. Starke, mitreißende Charaktere, eine gut durchdachte Geschichte voller Leidenschaft und Gefühle und die Jagd nach einem Mörder.

Kurzbeschreibung Revisit book two in Kat Martin's fan-favorite Heart trilogy! As a viscount's daughter, vivacious Coralee Whitmore is perfectly placed to write about London's elite in the outspoken ladies' gazette, *Heart to Heart*. But beneath her fashionable exterior beats the heart of a serious journalist. So when her sister's death is dismissed as suicide, Corrie vows to uncover the truth, suspecting the notorious Earl of Tremaine was Laurel's lover and the father of her illegitimate child. Corrie infiltrates Castle Tremaine posing as a wide-eyed country relation whose charming figure and reduced circumstances make her irresistible to the confirmed scoundrel. But Corrie finds the earl is not all he seems nor is she immune to his charms, however much she despises his caddish ways. Far from a society column, Corrie's life soon reads more like one of Mr. Dickens's serials. But the danger of her ruse is hardly fictional: someone is bent on ensuring Corrie's questions go unanswered and unasked. From Publishers Weekly In Martin's newest, the second in her Heart Trilogy (after *Heart of Honor*), writer and aristocrat Coralee Whitmore is in mourning for her late sister, Laurel, believed to be a suicide. Brave, impetuous Coralee, however, suspects foul play, and so she starts an investigation of Grayson Forsythe, Earl of Tremaine, the man she suspects was her sister's lover. Disguised as Forsythe's impoverished cousin, Coralee gains admittance to his world and discovers that things are not what they seem especially her own feelings for the roguish earl. A night of passion and a dollop of danger kick the smart, sexy protagonists into high gear, though they play off each other superbly from the start. Martin's Victorian is blessed with a strong plot and a rich supporting cast of family and friends, making this fun, full romance a surefire crowd pleaser. (Jan.)
