installation.

Kurzbeschreibung Raket, a princess by birth, has spent most of her life exiled on a barren mountain, despised because of her powerful snow magic. Though she longs to be accepted, she hides in her ice-castle and lives with the fear that her brother the King will one day order her execution. Her empty life changes forever when an army of magic users led by the enigmatic Colonel Farrin Graydinvade her home country with plans to enslave its citizens. Swallowing her fear, Raket joins forces with her jailers and tries to use her magic to save the people who scorned her. But does too much rest on Raket and her strained relationship with her people? For if she cannot defend her homeland...the country will be lost. THE SNOW QUEEN: HEART OF ICE is a story of magic, distrust, and unexpected friendships. It takes place in the same world as the TIMELESS FAIRY TALES series, but occurs centuries prior. If you enjoy strong female leads, captivating magic, and humorous stories, download a sample or buy HEART OF ICE today!
