Mangrove Island Book 4Von Suzanne MandixIt isn't often that I find a book that makes me not want to stop reading, but this book, as with the other 3, did exactly that. Neve Cottrell is up there with authors like Debbie Macomber, Robyn Carr etc. The characters are fun and exciting and it is a very good read. I can't wait for more books to come out.

KurzbeschreibungTwo hot friends under one smoldering roof Shelby Keeler hasn't had the best luck lately. Despite the influx of happy couples on Mangrove Island, true love for Shelby remains as mythological as a unicorn. When her landlord decides not to renew her lease, Shelby agrees to move in with her best friend, Donovan, until she finds another place to live. Donovan Reed is the handsome island doctor with an undeniable soft spot for Shelby. They've grown so close over the years that they're practically family. Once they start showering and sleeping under the same roof, however, Donovan quickly realizes that his feelings for her might extend beyond brotherly affection. When the sparks begin to fly, are these two willing to risk their friendship for a chance at love? Heart of the Home is book 4 of the Mangrove Island contemporary romance series, however, each book can be enjoyed as a standalone.Long Way Home, Book 1Far From Home, Book 2No Place Like Home, Book 3Heart of the Home, Book 4Home Sweet Home, Book 5KurzbeschreibungTwo hot friends under one smoldering roof Shelby Keeler hasn't had the best luck lately.
