she was born to entertain millions of people with her storytelling. I hit myself everyday for not listening to my friend just because the covers of her books (like Ruby) seems somewhat morbid. She is now one of my favorite authors next to Maeve Binchy. I've got everyone of her books that came out. I just got done with the Logan series. Heart Song was great...a real page-turner. The relationship that sparks between Cary and Melody left me surprised, but dreamy. It was romantic. Grandma Olivia...let's just say when she starts doing what she does best...making people's lives miserable and saving the reputation of the family name, I just want to throw the book at her. She doesn't deserve Grandpa Samuel at all. I also thought that at one point of the book, Melody didn't deserve the undying love of Cary's, but in the end she made up for it. Now...I need to make a review for the rest of the Logan Series.0 von 0 Kunden fanden die folgende Rezension hilfreich. Mesmerizing Von Buffy Skywalker (bjperry@aol.com)I've read the Logan series in high school and they seriously touched me. The beautiful story that unfolds more battles for the heroine, we wish to help her, but cannot do more than turn the page and read. Why do these girls always get such beatings? Femme Fatales I guess. See what leads to lack of parental supervision? great read, I really do recommend it! Really! Also I'd recommend Graham Masterton, a friend of mine, Kasia S. got me hooked and I still am! Best horror writer!0 von 0 Kunden fanden die folgende Rezension hilfreich. It was a very good and it was sad.Von Ein KundeI think it was a very good story because it was a romantic story. I thought it was a little weird how second cousins were madly in love with each other but they couldn't help it. I thought it was sad because Cary's twin sister died in a boat accident and Karen's mother had died. Also, her uncle was calling her a devil. The book made me feel relaxed and I couldn't put it down until I finished it. I would recommend this book to anybody who wants a good book to read.

KurzbeschreibungMelody Logan was as alone as a solitary gull, with only the wild Atlantic wind to lift her spirits....When Melody Logan's mother died in a car accident, Melody lost the last shred of family she had ever known. She was practically a stranger to the Logans, her wealthy relatives on Cape Cod, where she now drifted on a sea of dark secrets. In the eyes of gentle Aunt Sara, Melody was a replacement for her dead daughter, while for Uncle Jacob she was a reminder of the family's shameful past. Only good-hearted Cary seemed to care, and since it was revealed that she and Cary weren't truly cousins, the affection that had always surged between them now crested in thrilling waves.But Melody knew she could never truly echo Cary's loving promises until she discovered her own buried identity. Despite Grandma Olivia's daggerlike threats, Melody sought out Belinda, a mysterious, half-crazy woman who was her real grandmother. Belinda gave Melody hope -- and a glimmer of the pearls of truth she knew were hidden in the shifting Cape Cod sands. Somehow, someday, the story of her past would be her hard-won treasure, to be savored in a world of sunshine and happiness...where she truly belonged.KurzbeschreibungMelody Logan was as alone as a solitary gull, with only the wild Atlantic wind to lift her spirits....When Melody Logan's mother died in a car accident, Melody lost the last shred of family she had ever known. The wealthy, tight-lipped Logans harbour dark secrets, and no one but their good-hearted son, Cary, will breathe a word. Then her mother dies in a car accident and Melody is left feeling more alone than ever. Forced to live in the room and wear the clothes that belonged to Carey's dead twin sister, Melody sometimes feels she has no identity at all. She manages to escape from the family by taking a summer job with Kenneth Childs, the man she believes might be her real father. And from the moment she learns that she and Carey aren't real cousins, the tender affection she feels for him matures into something much stronger. But although Carey has pledged his love for her, she knows she cannot echo his words until she discovers the buried truth about her past.
