Von Marion Zimmer Bradley : Heartlight ("Light") before purchasing it in order to gage whether or not it would be worth my time, and all praised Heartlight ("Light"):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. MZB is pure magic which she shares with lucky readersVon Ein KundeDuring World War II, Colin MacLaren fought for the Americans against the Nazis. Specifically, his battles raged on a more esoteric plane as the soldier of the light fights his Black magick counterparts. When the war successfully ended on all the fronts, Colin continues to battle against evil doers. His chief adversaryis Toller Hasloch, trying to form a fourth Reich using the powers of the arcane. Over the

next four decades, Colin teaches the safe use of magic to adepts in order to keep them from going to the wrong side even as he heads towards a final confrontation with his malevolent counterpart. At the same, Colin continues to seek his own replacement because the war between good and evil is eternal. HEARTLIGHT should have been called *deja vu* as Marion Zimmer Bradley has taken the background and a secondary player from the three previous "Light" tales and propelled the scenery and the individual into the forefront. Fans of the four books will love t! his brilliant maneuver, which the author effortlessly turns into a well-written story line. However, the outcome (at least for those who have read GHOSTLIGHT, WITCHLIGHT, and GRAVELIGHT) is pre-ordained, leaving some readers knowing whether the light can triumph over the dark. Additionally, Colin is so heavenly angelic, he loses reader support. Still, this novel and Ms. Bradley's previous three books are divinely scribed occult tales that will please fans of the sub-genre. Great conclusion to a wonderful series Von Ein Kunde HEARTLIGHT is the fourth occult/gothic novel in Bradley's LIGHT sequence (following GHOSTLIGHT, 1995; WITCHLIGHT, 1996 and last year's GRAVELIGHT. This latest (and obviously) final installment not only picks up characters from these three books, but it also picks up characters and storylines from Bradley's previous gothics DARK SATANIC (1972), THE INHERITOR (1984) and WITCH HILL (1990) and adds new details and new perspectives to the old stories. In HEARTLIGHT Colin McLaren must battle against Toller Hasloch, who tries to destroy the American spirit by means of Black (Nazi) magick in order to establish a Fourth Reich. The book spans four decades from the 1960s to the 1990s and chronicles not only Colin's battle against Hasloch, but also his attempts to rescue people who got in trouble with supernatural and evil powers. I can really recommend this book to every reader who has enjoyed one of Mrs. Bradley's previous gothics. HEARTLIGHT combines strong characterization wit! ! h a moving and involving story (being German Bradley's description of the fall of the Berlin Wall REALLY touched me). And although some stories will be familiar to readers, be sure not to miss this great novel of the eternal fight between LIGHT and DARKNESS. And by the way don't believe everything that you've read in the review from KIRKUS REVIEW. You better find out for yourself. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Amazing . . . Von Cristina.G9@usa.com Never have I read a work of fiction that actually made me think of a period of our recent history in a new light. Marion works magic by weaving an already compelling storyline of believable rituals and magick into a convincing explanation for and which ties many of the key moments of turmoil of the twentieth century. Her characters are people anyone can identify with; their lives aren't sickingly happy, nor are they perfect. They have their good times, their sorrows, their hurts, anger, and the guilt of their mistakes. Nor are her antagonists completely bad--there is always room for redemption. I also enjoyed the way Marion weaved Colin's story to cross those of characters from the three previous novels in the series. It gave us a chance to see these characters from a totally new perspective, and in the cases of Thorne Blackburn and Hunter Greyson, we were given a glimpse into their youth and personalities that we were not shown in *_Ghostlight_* and *_Witchlight_*. I recommend this book to anyone who has ever asked the question, "Why?"

Kurzbeschreibung Heartlight is the story of Bradley's greatest champion of good, Colin MacLaren, as he carries the banner of Light through the second half of the twentieth century. Ghostbuster, exorcist, student and teacher of the mystic arts, Colin meets Claire Moffat, who becomes his dearest friend, when he rescues her from a cult bent on human sacrifice. The leader of that cult, Toller Hasloch, becomes one of Colin's greatest enemies. Working behind the scenes for the next thirty years, Hasloch subtly manipulates politics and the economy to turn America away from the Light. Colin, busy saving lives and teaching the next generation of psychic warriors, realizes almost too late how Hasloch has warped America's promise. Now, Colin MacLaren is the only one who can face Hasloch and the hellhounds the younger man has unleashed. He must fight on, while the fate of America, and perhaps all mankind, hangs in the balance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Pressestimmen A tour de force of occult fiction.--Library Journal
