Von Teresa Medeiros : Heather and Velvet (Brides of the Highlands Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Heather and Velvet (Brides of the Highlands Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Great love lines/scenes, too much misunderstanding!Von Ein KundeEnjoyed Charming the Prince a lot... This story had a lot

of potential, too. The story move through so many different locations/scenes at times it was hard to follow and seemed fragmented. Sabastian had some of the most erotic/exciting lines in this book. The hero and heroine were a little hard for me to get to love since he was such a horrible criminal most of the book and she was so up tight about so many things. I hate the parts that Sabastian insists on marrying Prudence's aunt even though they know they belong with each other (sort of). The love tension between the two were well depicted, but I agreed with the last reviewer that there were too many lies. Each of them were trying to do what they thought were best for the other by lying, drugging, or something else. Can we have a little honesty? Anyway, some of the love scenes were incredible and I could feel the torment between the two. I would still read her books.2 von 2 Kunden fanden die folgende Rezension hilfreich. Not as good as some of the othersVon FannyPrice27109The first two books I read by Ms. Medeiros were Charming the Prince and Nobody's Darling which are both excellent books. This one fell back a bit. I agree with the other reviewers that the constant time and scene changes can be a bit confusing and Sebastian was very selfish through the beginning of the book. There were also more characters who I disliked than who I liked. I only liked about three characters. The reason I rated this book fairly highly is because the heroine is not drop dead gorgeous. Reading romance novels sometimes makes me feel a bit lacking in the looks department because the lead females are always so pretty. This book was good because Sebastian loved Prudence even though she was not the fairest in all the land. I also liked the cat. My advise is to get this one from the library or a used book store but it is still worth reading.0 von 0 Kunden fanden die folgende Rezension hilfreich. OK readVon Miss HI usually really like Ms. Medeiros' books. She writes beautifully and has a talent of storytelling. "The Devil wears Plaid" and "A whisper of roses" are both wonderful wonderful books in the same series. This book is the 2nd installment of the series.The books are not connected to each other. They just follow the same theme. This particular book lacks the romance and passion that gripped me in the other 2 books. A hero who would marry the heroin's aunt for money but ask the heroin to be his mistress?? A heroin who was nothing but a little mouse who lives under the shadow of her aunt and all of the sudden turned out to be a duchess??It gets a 3 star from me because Ms. Medeiros' writing is very enjoyable. The story, however, lacks her usual charm.

KurzbeschreibungThe innocent and the highwaymanOne moment Prudence Walker is living the life of a plain, dutiful orphan, searching for her lost kitten during a storm; the next she finds herself lying in a highwayman's arms. Wounded in a foiled robbery attempt, the dreaded Scottish highwayman seems harmless enoughuntil he steals her will and her heart with his honeyed kisses.The innocent lass is everything Sebastian Kerr has ever wanted, but believed he could never have. When she discovers the dangerous double life he is leading, he is forced to risk his own life to save hers. It doesn't take him long to realize that he must win the one treasure he cannot stealPrudences love.Book 2 of 5 of the "Brides of the Highlands" Series (Can be read in any order) A terrific tale full of larger than life characters and thrilling romance!Amanda Quick, New York Times bestselling authorFrom humor to adventure, poignancy to passion, tenderness to sensuality, Teresa Medeiros has written a rare love story to cherish.Romantic TimesNobody writes humor with more heart or passion with more pleasure.Christina Dodd, New York Times bestselling authorA superb storyteller. Medeiros can pull every last emotion from the reader with tear-inducing scenes and laugh-out-loud dialogue.Booklist The "Brides of the Highlands" series includes:Some Like It WickedSome Like It WildA Whisper of RosesHeather and VelvetThe Devil Wears PlaidENGLISH LANGUAGE EDITIONKurzbeschreibungThe innocent and the highwaymanOne moment Prudence Walker is living the life of a plain, dutiful orphan, searching for her lost kitten during a storm; the next she finds herself lying in a highwayman's arms. Sebastian Kerr, the notorious highwayman who had once been an abused, frightened little boy not only stole Prudence's heart, but mine as well. I also loved creating a heroine who considered herself "homely", until she learned to look at herself through Sebastian's loving eyes. I hope you'll enjoy getting to know them as much as I did.
