Spannend, erfgreifend und zum Schmunzeln als auch zum Nachdenken Von Nicole Wieschalla Tolles Buch mit vielen interessanten Erkenntnissen und zum Nachdenken anregenden Elementen, die einen nicht manchmal auch zum Schmunzeln bringen. Francois Lelord gelingt mit Witz die elementaren, wissenschaftlichen Grundlagen der Liebe in seinem Buch darzustellen. Ich freue mich auf viele weitere Erkenntnisse durch Lelords Charakter Hector.

Kurzbeschreibung What is the secret formula for love? Hector, our intrepid psychiatrist, sets off on a new globe-trotting mission -- and this time he's looking for love. One of the world's largest pharmaceutical companies has employed him to track down their brilliant scientist, Professor Cormorant, who has disappeared abroad with the secret of a modern-day love potion. Leaving behind his troubled relationship with girlfriend Clara, Hector's adventure takes him to the Far East and into the arms of beautiful Vayla, forcing our hero to think deeply about what love really is/means. In his follow-up to the multi-million-selling Hector and the Search for Happiness, acclaimed writer and psychiatrist, Francois Lelord, offers us a new fable filled with thoughtful insights into the very human desire to find and keep
