Ein Mrchen fr ErwachseneVon CoffeeAndBooksIch habe eine ARC (Advanced Reading Copy) von NetGalley erhalten.Ich war erst einmal berrascht, wie poetisch Renee Rose schreibt, ihr Stil hat mich wirklich in den Bann gezogen und ich habe mir oft gewünscht, das Buch wre lnger!Ja, es ist ein sehr explizites Buch, aber ehrlich gesagt war dies das erste Mal -whrend ich ein Buch aus der Kategorie Erotica gelesen hab- wo ich mich am Ende nur daran

erinnere, wie elegant es geschrieben war und nicht wie hei die Szenen waren ;)Wie mein Titel schon sagt, mir kommt es so vor, als ob dies ein Mrchen fr Erwachsene ist; es gibt einen in Ungnade gefallen Ritter, die Priesterin aus Avalon und dann -wie soll es auch anders sein- ein Happy End.Ich hoffe, die Autoren entscheidet sich bald, einen lngeren Roman zu schreiben, den dies hier kann man eigentlich nur als Novella bezeichnen, denn der Plot wird sehr schnell durcherzht.Trotzdem ein nettes Lese-Erlebnis :)

KurzbeschreibungWhen Sir Gorrans people disappear after a raid on a Saxon settlement, he kidnaps Princess Ariana, a priestess of Avalon, and demands their return. Though he knew he risked Arianas curse as well as a lifetime hiding from the kings sword, he does not realize his greatest risk in holding the lovely princess for ransom is to his heart.The intimacy shared with her kidnapper leaves Ariana wounded by the experience and his reappearance at the annual tournament only deepens her pain. When her brother foists him on her as a guardian and slave she must come to terms with her feelings for the dominant warrior. Will she send him away to his death, or will she realize her pain is only caused by living without him?*
