Von R.W. Pell : Helen's First: Romance Erotica (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Helen's First: Romance Erotica (English Edition):

Pell behauptet, in diesem kurzen E-Book die Geschichte einer seiner Affren zu erzhlen. Die Art, wie er die Geschichte erzht, unterscheidet sich von vielen Erotik-Bchern. In den meisten Bchern dieses Genres sind Frauen nichts als geile Luder. Mister Pell hingegen nimmt die Gefhle, Hoffnungen und Sorgen

seiner Hauptprotagonistin ernst und erzählt seine Geschichte mit Behutsamkeit und Einfühlungsvermögen. Ob die Geschichte wahr oder erfunden ist, kann ich nicht beurteilen, realistisch angefühlt hat sie sich für mich beim Lesen aber doch. Und darum geht's: Der Autor trifft in einem Chatroom eine Frau namens Helen. Helen ist 38 Jahre alt, verheiratet und Mutter dreier Töchter. Ihr Mann stillt einmal die Woche bei ihr sein Verlangen, ohne sich auch nur einen Deut um die Befriedigung seiner Gattin zu kümmern. Zunehmend sexuell frustriert, beginnt Helen eine Online-Affäre mit dem Autor. Nach mehreren Monaten kommt es zum ersten Treffen in einem Londoner Hotel und Helen entdeckt zum ersten Mal in ihrem Leben, dass sie eine leidenschaftliche, sinnliche Frau ist. Die Affäre kostet Helen allerdings Ehe und Arbeit und führt zu schweren Depressionen, bevor sie schließlich zu neuem Leben aufblüht ... Wie oben bereits erwähnt, handelt es sich bei dieser Kurz-Geschichte angeblich um eine wahre Begebenheit. Zur Glaubwürdigkeit tragt meiner Meinung nach bei, dass der Autor, auch wenn er sich selbst als Frauenverstehender darstellt, auf die blöden Vertreibungen verzichtet: So kommen weder Riesen-Penisse darin vor noch sehen die Protagonisten aus wie Supermodels. Stattdessen beschreibt er echte Menschen, die mit den Gefühlen und Problemen echter Menschen ausgestattet sind.

Kurzbeschreibung
Hemet Helen, a shy middle-aged woman, online, and hes about to become instrumental in her sexual education...Both he and Helen are married. But unlike him, hers is not a happy union. Her husband fucks her like clockwork every Saturday, with no care to her own wants and needs. And so he is determined to let Helen enjoy all the pleasures her body can command. Her sexual reawakening is also helping her to step out of her comfort zone and take control of her life. And while he knows this is good for her, he does wonder if it means that he might not be able to see and fuck her again...SAMPLE: I settled into a comfortable pace, one that would let me last for a reasonable while as I concentrated on her body, in the quest to find all of her erogenous zones - one by one. I found that her tits were possibly the most responsive, but so was her stomach when a finger lightly grazed over the taut skin. It was a delight, discovering her elbows liked attention and that her neck, just below her ear would make her thrust up to meet me. I decided to try a new position. Eventually, with some awkwardness and a bit of giggling, she got the idea and straddled my prone body. I had to guide myself inside her until she got the hang of gyrating her hips and grinding her sex into mine. She knelt up, supporting herself with her hands on my chest. Running my fingers lightly down her back made her shudder as she set the pace. Her eyes were closed as she revelled in the sensations our bodies were giving her. She took the time to experience each new delight while keeping up the steady tempo of our coupling.
