Supernatural-Action-Romance-Mystery.... did I forget something?Von Newwa EwwaI love myself some supernatural story. As much as I love witty characters and a good romance. And that's exactly why I love this book - as it combines all of this in great writing.The world in Hell's Bell is a world in which Witches, Vampires and Demons are just a small part of the supernatural society. Cate Delacey, daughter of a Guardian, runs the Darkmirror Agency and soon finds herself entangled in some kind of supernatural mystery that not only involves a lot of dark magic, but is somehow also linked to herself. And then there is of course the alluring Detective Jacqueline Slone who assists her at this case and

also seems to know more about Cate. The story is a wild, supernatural ride and I enjoyed every part of it. Thankfully, there is already a sequel to Hell's Belle (The devil you know), which I devoured as fast as this book. Can't wait for part 3 of the series!

Kurzbeschreibung Cate Delacy is glad shes a witch and you can take that any ol way you like. As a very mortal woman she has a target on her back, so she has no intention of following in her mothers footsteps as an enforcer for the Council of Supernatural Beings. She didnt ask to be a Guardian and she has to pay her bills. Opening the Darkmirror Agency is her solution. Her clients are mostly human and they pay on time. But one day it all goes to Hell, figuratively. Then literally. Because thats the day the Councils detective Jacqueline Slone slinks her way into Cates life. Jacq. So alluring. So powerful. So immortal. And up to her sexy neck in a secret that will unleash Hells Belle. Marie Castles unpredictable Darkmirror world is unveiled in this romantic, sizzling debut.
