Von Jackie Kessler : Hell's Belles before purchasing it in order to gage whether or not it would be worth my time, and all praised Hell's Belles:

things like having to pee ;) she still has some demons on her trail. Sexy and sassy Jezebel finds some work that puts her 4 thousand years as a succubus to good use and starts trying to be normal. However half of hell are trying to track her down and she is having some man trouble too. Will Jezebel manage to survive on Earth? This was money well spent! I loved this new imaginative storyline and laughed out loud a few times! The writing style flows and once you get into this one you won't be able to stop reading! It is highly addictive! Also while being a bit on the racy side this was not one of those 'roll your eyes' sex type books! So don't be put off! I am so glad to see that this will be a series with the second book out soon! 'The Road to Hell' will be interesting after the little cliffhanger at the end of this book!

A soulless demon finds love Von Helen Hancox Jezebel is a 4,000 year old succubus (a demon) whose job is to entice people into hell through horizontal means. However when she goes AWOL from Hell, tricks a witch into making her human (and stealing that witch's form and credit cards/ID) she sets out on life as a newly born human in New York. The author writes her first experiences of being human, drinking coffee, eating muffins, being in public spaces etc excellently - these were really enjoyable parts of the book. Jezebel, or Jessie, isn't at all a sympathetic character to start with. She steals the witch's identity, doesn't care about other people and seems largely amoral. However her new human nature is clearly changing that part of her character and she starts to care for people and to change. She gets a job as a stripper in a club, Hell's Belles, which suits her skills from her former career admirably. However she's already bumped into Paul and he is about to cause another big change in her life. On the run from other demons who are trying to drag her back to hell, protected merely by her humanity and with the amulet she wears round her neck, can Jessie keep herself safe and out of hell? And what is it that caused her to leave Hell in the first place? Rather confusingly a few chapters into this book Jessie seemed to be back working as a succubus and leading a man to hell. It became clear eventually that this was a flashback and there were other examples of this in the book - it might have been helpful for the fact this was backstory to be more clear. However these sections, where Jessie is in Hell, were fascinating; somehow the author has written her description of the different levels in Hell and some of the characters in a lighthearted and yet scary way with definite overtones of Dante. This is an earthy book with fairly explicit descriptions and a woman who is certainly at home with her feminine side. However there is more to this story than just sex as there's an interesting plot and some significant characterisation of Jessie. Paul, the hero, is rather more of a cipher and we almost learn more about the Satyr Daunuan but there are many good side characters in this story which lift it above the average paranormal romance and made it an easy and fun read. Jezebel, ein Incubus-Dmon, deren Lebenszweck es ist, Mnner zu verfhren und ihnen nach wildem Sex die Seele auszusaugen und in die Hlle zu berfhren soll von nun an als Albtraum "arbeiten" - doch sie rebelliert und flieht aus der Hlle auf die Erde, wo sie in der Form einer menschlichen Frau arbeit in einem Strip-Club findet - das ist schon eher nach ihrem Geschmack. Allerdings mchte der Herrscher der Hlle sie nicht ungeschoren davonkommen lassen und setzt seine Horden auf ihre Spur. Und Jezebel bleibt von ihrer menschlichen Form nicht unbeeinflusst und entwickelt einige ganz und gar undmonische Gefhle und Vorlieben - besonders fr den sinnlichen Paul. Jackie Kessler's Start in ihre neue Serie "Hell on Earth" zeigt einige vllig neue Anstze paranormaler Romane. Jezebel ist eine ungewhnliche Heldin, die auch gerne mal - auf merkwrdig charmante Art - bse ist und Blut lieber mag als Milch. Dabei schafft es das Buch trotz des dmonischen und hllischen Themas erstaunlich unblutig zu bleiben. Statt dessen erlebt der Leser mit dem Incubus Jezebel mehrere erotische Szenen (war ja klar!) und jede Menge ungetrbten Spass. Auch Romantik und Spannung sind gegeben. Zudem hat Jackie Kessler einen angenehmen leicht sarkastischen Schreibstil ohne direkt in Albernheiten abzurutschen. Interessant und gelungen ist auch die Beschreibung der Hlle und Luzifers die man unwillkrlich mit Anne Bishop und Lilith Saintcrow vergleichen mchte, wengleich der Vergleich wieder mal hinkt, da Kessler hier einfach ihr eigenes Bild geschaffen hat. Warum bei soviel Lob eigentlich doch nur vier Punkte? Weil das Buch bei allem Lesevergnngen doch ein klein wenig wie ein Vorspiel wirkt, der Leser gewinnt leicht den Eindruck, dass die eigentliche Serie vielleicht erst mit dem nchsten Band einsetzt. Diesem zweiten Band allerdings darf man gespannt entgensehen.

Kurzbeschreibung Once upon a time, Jezebel was a powerful succubus, capable of seducing men and sucking out their souls. But that was before Hell put a bounty on her head. Now her only chance to escape a fate far worse than death is to live as a mortal, losing herself in a sea of unfamiliar humanity, in a place where sinners walk hand-in-hand with saints--a place like New York City. Working as an exotic dancer is a piece of cake for a former demon who once specialized in sex. But she hadn't counted on meeting sexy Paul Hamilton, a man haunted by his past. Good-bye, succubus; hello, lovestruck. But Hell hasn't stopped looking for her. The secrets Jezebel holds are the most dangerous of all, the kind every demon in the Underworld would do their worst to protect. Demons are closing in, which is enough to make Jezebel shiver in her G-string. But it's her love for Paul that's going to have deadly consequences. . .
