Von K. S. Haigwood : Hell's Gift (Save My Soul Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hell's Gift (Save My Soul Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great characters make great stories!!!Von CocktailFirst things first: I liked the book much better than I had expected I would, especially because I hadn't read the first book (and I'm not going to)and feared it would be hard to get into it.But it was easy enough to enter the story and get a good picture of the characters.Also I was glad to see that a book that's basically about angels/heaven and demons/hell is not necessarily black and white! On the contrary: all characters have so many sides to them, so many emotions, hopes, wishes, doubts, flaws and so much potential to change - they seemed

so real to me and drew me in right away!The story itself was harder on me in the beginning, I felt it lacked some sense, but that came later, things began to add up and if you pay a little attention on detail there are some things to be figured out well before they are stated in the story, but I like that - you know the moment you can scream "told ya!" at the book. :DI can recommend this book to everyone who likes a good fantasy story, interesting characters (all of them, not only the protagonists) and nice love sex scenes.I received this book as part of the Lovers of Paranormal Read 2 Review programme on goodreads.com.P.S.: The third book of the series is coming up end of 2013 and the story roots in this book - I'm definitely going to read it!!!!

KurzbeschreibungDepression consumes the guardian angel, Rhyan, after his human charge chooses her soulmate over him. Filled with anger and despair, he lashes out. And when his hate-filled words land him neck-deep in Hell, he realizes he's gone too far. He expects trouble, but not to discover his own soulmate in the fiery depths. Abigail is there with good reason, but she's done her time, and in order to save them both, Rhyan must strike a deal with the Devil. The stakes are higher than ever before, with his soul, his friends and even the fate of Heaven and Earth in jeopardy. If he fails, Rhyan stands to lose more than he ever feared. Will true love be denied? It will take everything he's got to break down the traps Lucifer puts in his way. New lines are drawn and old scores are settled, and Rhyan is in for the fight of his life. With Abigail as the prize, and humanity in the balance, he will stop at nothing to claim...Hell's Gift.*This novel contains explicit content of violence, descriptive sexual scenes and strong language not suitable for anyone under the age of 18*KurzbeschreibungDepression consumes the guardian angel, Rhyan, after his human charge chooses her soulmate over him.
