KurzbeschreibungBook 2 in the Heller series. Tilly Chalmers sexy boss, Heller, has a talent for making enemies. Not a forgive-and-forget kind of man, he has a few scores to settle - including one with Tillys brother. Tilly is kept busy juggling that constant worry with managing three new assignments as a rookie security officer - crowd control at a lingerie parade, babysitting an immature, sex-starved IT billionaire, and an unusual and emotional job with a famous environmental activist. But as usual, Tillys assignments dont go quite to plan. All this, as well as trying to keep her vow not to sleep with her beautiful and enigmatic boss, no matter how much of a temptation he proves.
