**Von Keith C Blackmore : Hellifax (Mountain Man Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hellifax (Mountain Man Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A breakaway from previous books, still good readVon ashThis book is less satisfying than the previous two installments however has still kept me very interested. Lots of situational themes of "lonely survival/trapped against the elements" which I enjoy and lots of new characters to meet.It finishes off strong however and I will most likely read it again in the future.It is a breakaway from the setting of the previous books, leaving a lot of questions hanging which I assume

will be answered in the next installment. So far the series has kept me gripped, well worth a read if you are interested in the genre.
