Von Bertrice Small : Hellion before purchasing it in order to gage whether or not it would be worth my time, and all praised Hellion:

scenes deliciously different for a romance tale), but the complete departure from what I know a Small novel to be. This book wasn't as descriptive, nor did it explore the characters' personalities as much as previous works. Bertrice Small usually goes on and on and on and ON about locations, character details, even matters as simple as royalty parties and fetes. With this novel she seems to just say, "Here's Belle. Here's Hugh. They're married. Uhoh, something happened, let's go find her. (Insert bed scene here.) All over. The end." A little more depth would have been nice. But the erotic scenes were actually not badly crafted. If the story had the depth of *The Kadin* or *Skye O'Malley* I think I would have enjoyed this a LOT more.0 von 0 Kunden fanden die folgende Rezension hilfreich. an intense and passionate novel with great sexual scenesVon Carol (carol4yak@aol.com)I felt that the better romance in the story was the one between Guy and Belle. Hugh really had his nerve protesting Belle's relationship with Guy when Hugh virtually brought it about! Guy makes the ultimate sacrifice for Belle; Hugh does not. I liked the inventive and innovative sex in the book and don't have a problem with that's being in a historical romance. This also gives the book a dark edge which I also like. Remember the scene where Belle's mother loses her virginity? I felt it was highly likely that a method that crude could have been utilized back then and, once again, it contributed to a dark edge. More historical romances need some dark edges in them. To make this truly groundbreaking Belle should have tried building a relationship with Guy with perhaps Hugh dying at the hands of Guy's sister!0 von 0 Kunden fanden die folgende Rezension hilfreich. Romance it's not...Von Ein KundeI'm a huge romance novel fan, so this book seriously disturbed me. Obviously the editors at miscategorized this one. Romance is about love and an emotional bond between two people, not love toys and emotionless bondage scenes. And what was up with that threesome romp?! If you've ever listened to a call-in-your-relationship-problems talk radio show, you'll know that bringing a third person into the marital bed is always a bad idea. I felt like I needed to bathe after reading this book. If you're a closet porn fan who's too embarrassed to buy reading material from a seedy adult store, this is the book for you. If you're looking for a sensitive, emotional rendering of love (and yes, love scenes), pick up anything by Maggie Shayne, Dara Joy, or Johanna Lindsey.

KurzbeschreibungSHE WAS CALLED BELLE FROM HELL. . . .As fierce and indomitable as any man, Isabelle of Langston rules the family lands with an iron hand after her father's death. But the brazen beauty meets her match in Hugh Fauconier, bold knight and rightful Saxon heir to Langston Keep. By the King's hand, he is made her husband. Hugh's virile prowess reveals to Belle the delicious pleasures of the flesh, as their turbulent days of verbal sparring melt into nights of erotic abandon.But a treacherous plot enslaves Hugh to the evil Vivienne d'Bretagne, a sorceress whose sexual magic is as powerful as it is dark. Discovering the castle lair where her husband is enchanted, Belle is caught, and rendered helpless by the twisted passion of Vivienne's brother, Guy. But not even her captor's devious ecstasy can destroy her will to free her beloved Hugh. . . .From the Trade Paperback edition..deThe title says it all!
