good, very well plotted. Good mystery. Von Ein Kunde Initially, I chose to read this mystery because I was in the mood for a good mystery and it was one of the shorter ones on my bookshelf; but as I got into it I found the author does a really nice job of telling a story. I'd recommend the book, especially as a read at bedtime.

Kurzbeschreibung Around bleak Dartmoor, where the Hound of the Baskervilles once bayed, three children have been brutally murdered. Now Richard Jury of Scotland Yard joins forces with a hot-tempered local constable named Brian Macalvie to track down the killer. The trail begins at a desolate pub, Help the Poor Struggler. It leads straight to the estate of Lady Jessica, a ten-year-old orphaned heiress who lives with her mysterious uncle and ever-changing series of governesses. And as suspense spreads across the forbidding landscape, an old injustice returns to haunt Macalvie with clues that link a murder in the distant past with a killing yet to come.
