Unerwarteter GenussVon mockingbirdEin junges Mdchen namens Marnie wacht nach einer Gehirnerschütterung im Krankenhaus auf. Der sie betreuende Pfleger Jason ist am Ende seiner Nachtschicht und "gehirnmssig" ebenfalls ein bisschen aufgelockert. Bei der Blasenkatheterkontrolle, sagt er ihr, dass er drauf steht, und so nimmt die Geschichte ihren Lauf ...Lustig, erotische Geschichte einer besonderen Begegnung und Entdeckung. Habe es gern gelesen und mich gut dabei unterhalten. Flott geschrieben, ohne Obsznenen, die man bei so einem Thema ja vermuten knnte. Also eine Geschichte fr jeden unvoreingenommenen Erwachsenen, der sich mal ein bisschen unterhalten und ablenken mchte.

KurzbeschreibungWhen Marni wakes up in the hospital one morning, the last thing she expects is to find herself pursued by a sexy man. She never even knew she had a thing for hot nurses until Jason introduces himself and tells her he'll need to put a new catheter in her. Under his capable hands, Marni discovers that her urethra is exquisitely sensitive, almost like a second pussyand with Jason taking full advantage of his position of power and her partial nudity, how can she help but succumb to the pure pleasure her new-found kinks offer?Take a few minutes and savor this short story, a 4,400-word free sample of Layla Lewis's work (actual price varies according to distributors' policies on minimum pricing; word-counts do not include teasers, links, or other end-material). Themes include medical fetish play, fear of getting caught, catheter urethral play, fingering, multiple orgasms, G-spot stimulation, unconventional double penetration, and female ejaculation.This is the second edition of this ebook. Revisions focused on meeting 's updated ethical guidelines for erotic stories. The first edition was published in 2013 and is no longer available.KurzbeschreibungWhen Marni wakes up in the hospital one morning, the last thing she expects is to find herself pursued by a sexy man.
