His Baby, Her Secret, won't be a secret for long!Von Holly Fuhrmann (hfur@aol.com)Gayle Wilson's final installment in her Men of Mystery series, was the perfect ending to this cloak and dagger Harlequin Intrigue Series. Griff Cabot is back . . . from the dead. He's come back to help Claire Heywood, the woman he loves, ransom her daughter . . . their daughter. This book wraps up the series, it has plenty of action, but not at the expense of the love story. Clarie and Griff are at odds, but their differing opinions can't dim the glow of their love. Once again, Gayle Wilson has written a heart-pounding love story that will stay with you long after you read the last page.0 von 0 Kunden fanden die folgende Rezension hilfreich. You can't put this story line down once you start it!Von JoAnn E.HaferGayle Wilson caught your

attention in the first book of this trilogy and kept it right up to the last page of the third book. I literally could not put them down until I found out who did what to whom, and how they managed to live thru the book. Exciting!!! The only down side to the story was (without giving the story line away) who the bad guy turned out to be. I recommend getting the three books, sitting by the pool or in the air conditioning, and having a great time this summer. Superb writing.
