Von Emily March : Her Bodyguard: Bad Luck Brides Trilogy, Book 1 (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Bodyguard: Bad Luck Brides Trilogy, Book 1 (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A

delightful tale from a talented writer Von Deborah Macgillivray GERALYN Dawson has quietly been gathering a lot of praise with *Bad Luck Wedding Cake* and *Bad Luck Wedding Dress* books. Well, she is back with another *Bad Luck* book, though lacking that appellation in the title. Her *Bodyguard, the Bad Luck Curse* jumps a generation as Trace's daughter Maribeth has her tale. Two sisters are featured in supporting roles, so fans of Ms. Dawson are guaranteed at least two more *Bad Luck* stories. The book takes up in San Antonio in the late 1880s. It's the eve of Emma's wedding, sister to Mari and Kat. They are the famed McBride Menaces. They go to visit a fortuneteller and is told their family come from Scotland, and in fine Highland tradition, the seer warns Clan McBride is cursed and only true love can break it. She warns the three girls they must find their one true love to end their doomed legacy. A couple years later, Emma is widow, so we assume her husband wasn't her true love to break the McBride's Curse. Kate's fallen for an actor, but Mari is more settled and owns her own candy store. Once day Luke Garrett comes into the store. Daddy dearest knows this blackguard and tries to stop him for flirting with Mari. In Kat's quest for love with her actor, she is trapped in a fire in the theatre. Only Mari refuses to believe her sister died. She is determined to find her, and dashing Luke won't permit the sweet miss from the sweet store to go gadding about. But this presents problems for Luke in more ways than one. The Brazos Valley Gang are tearing up the countryside, and while her father thinks Luke an Outlaw - he's just plain law, a Texas Ranger. So it's up to Ranger Luke to become Mari's bodyguard. Look has to protect Mari and his Outlaw cover so it make romancing Mari tough. It's a delightful tale. Dawson proves she is a wonderful writer, with a skillful weaving of this gentle heartwarming tale. Mari is a heart-stealer, with her caring about her sisters, especially Kat, never giving up hope when everyone else did. There are surprises along the way in a book that delivers from start to finish. It leaves the reader eager for Kat's and Emma's story. Dawson is one fine Western Romance writer, breathing new life into the genre.

Kurzbeschreibung The McBride Menaces are all grown up as Emily March's beloved *Bad Luck Brides* series continues. When a fortune-teller reveals that she and her sisters have the power to end the Curse of Clan McBride forever, pragmatic chocolatier Mari McBride dismisses the claim as nonsense. But when a series of tragedies befall her family and send her on a quest to save those she loves, she turns to mysterious gunslinger, Luke Garrett, for help. Luke's desire to protect--and seduce--the beautiful Menace leads them both into danger. The violent collision of Luke's past and present reveal sinister secrets that push Mari further away. Is she cursed to be the next victim of McBride bad luck? Or will the true love of a wicked man be her--and her sisters--salvation?
