Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Virgin For The Billionaire Von Lily M. "A Virgin For The Billionaire" by Harmony Raines is a short sexy read. It's about Beth,

who spent her last ten years taking care of her younger brother since her parents died in a car accident. She has put her emotional life on hold while struggling with the financial difficulty. So when she goes to the party at her brother's company and meets a mysterious man while sneaking away into a room, she decides to lose her virginity to him. It turns out that this man is the billionaire Gregory Scott and the CEO of the company. Gregory is not the man who takes no for an answer when she tries to walk away. I liked the characters and the plot is great. I just wish it could have been a little longer (more details about their past and the love story between Beth and Gregory), but still an enjoyable read. I would recommend it to others.

Kurzbeschreibung Beth has spent the last ten years being a parent to her younger brother. She has put her emotional life on hold while struggling with the financial difficulty. So when she meets a mysterious man at a party she decides to lose her virginity to him. One night, one time to last her a lifetime. But this mystery man is not the kind to take no for an answer when she tries to walk away. **Warning:** This 13,800 word story contains first time sex with an innocent twenty seven year old. Hot oral sex to ease her nerves. And a billionaire who knows what he wants and intends to get it. **Excerpt:** Slowly he drew his head away from her, catching his breath. "Are you sure you don't want to go back to the party?" She shook her head, taking her answer he moved away from her and went over to the door and locked it, they were hidden from view and no one could disturb them. He returned to her and kissed her, his hand moving up to her breast. She gasped at the feel of his firm touch, his fingers finding her taut nipple under the thin fabric of her dress and bra. For a moment it crossed her mind just how crazy this was. Sex. First time sex with a stranger. She knew she should stop it now, but the touch of his hands on her body made her feel alive, free. She wanted this, one night, one time, and then she would go back to being "Good old Beth." Decision made, she yielded to his touch, wanting to enjoy every second. It would have to last her a lifetime. His hand moved down and touched her heated sex through her thin panties. Rubbing the fabric against her most sensitive skin. She pressed herself forward onto him, wanting him to explore further. Pushing the fabric aside he inserted his finger into her warm wet pussy. Pushing against her tight folds, moving in and out gently. Beth's hands began to explore the hard contours of his body. As she thought, his muscles were firm and his skin stretching over them smelt musky. She took in the smell and feel of him, telling her brain to remember every detail. She undid his jacket and then the buttons of his shirt as his fingers continued to plunder her softness. He almost pulled the dress off her, pushing it down to reveal her breasts. Expert fingers undid her bra, letting it drop to the floor. His mouth found her breast, taking her nipple in his mouth and sucking hard. Her nails dug into him at the sudden sensations that flooded her body, as though someone had joined all the circuits in her body to produce a strong electric current that throbbed and pulsed, centering on the sensitive bundle of nerves between her legs. He undid the belt and button of his trousers and let them fall to the floor. Pushing her legs apart he held himself to enter her, she felt the head of his cock push against her entrance, and she panicked. "Wait!" He grunted his disapproval but managed to control himself enough to pull back slightly. "Can we go slower, please," her voice sounded small and weak, such was the effect he had on her. "Slower? I thought you wanted this quick and fast, you seemed to be urging me on." "I'm sorry, I'm afraid it might hurt," she screwed her face up in embarrassment. What was she thinking, why hadn't she just walked away? "Hurt?" He sounded slightly dazed, then his body stiffened and he drew himself away from her and started to laugh. "A virgin? Is that what you mean?" **Kurzbeschreibung** Beth has spent the last ten years being a parent to her younger brother.
