**Von Michelle Dare : Her Forbidden Fantasy: A Taboo Short Story (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Her Forbidden Fantasy: A Taboo Short Story (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Short and sexy! Von Sheila73 This is a short (12 pages) erotic story perfect for when you don't want to spend hours reading, or when you just need a sexy pick me up for your day. It's hot and steamy and Michelle Dare made sure she took advantage of the pages she DID use for some scorching sex. Jackson is engaged to marry Celeste's mom, but Celeste

has always liked Jackson and she knows her mom is no good for him. She decides to take a risk and see if he wants her like she wants him and it works. The result is an office rendezvous that makes every other office look boring...if only we all could have an experience like that at work!Although it's short, it's still a complete story with an HEA. I recommend it to all my erotica loving friends!

Kurzbeschreibung Jackson Solt is the Founder and CEO of Solt Industries. With his jet-black hair and steel blue eyes, he's also the hottest man Celeste has ever seen. That's also one of the reasons why she needs to stay away from him. Celeste knows she shouldn't lust after her boss. Being his Personal Assistant is a great job, but she wants so much more from him. When she senses Jackson feels the same heat toward her, she decides to test a theory...and takes a risk that could cost her dearly.\*This book contains explicit language and sexual content. It is meant for readers 18 and over.
