Von Laura Kaye : Her Forbidden Hero: A Heroes Novel (The Hero) before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Forbidden Hero: A Heroes Novel (The Hero):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. 4,5 stars because this story with a great character development is just a little too expensive for the amount of pagesVon MagritteI was never really into short stories, but sometimes, when I don't have a lot of time to read during a day I choose a shorter book.As I try to read a book a day, for me this makes sense.One night when I couldn't fall asleep anymore and I had only a few hours left before I had to go to work, I picked Hearts In Darkness by Laura Kaye. This

book has been for a long time on my recommendation list and the temptation was too great to resist. And Mrs. Kaye's magic has worked on me immediately. So I started reading one short story after the other even though I consider the price of these books (2,49 for 150 pages) to be too much. Her forbidden Hero, Marco Vieri, is the typical story about a man unable to find peace, hating what he became after war, finding his solace only in a young innocent girl, who moreover is his best friend's sister. He however refuses to stain her innocence with his dark soul. Alyssa Scott however is no child anymore. She is not the girl that her brother and Marco had to save from an abusing father. She wants to fight for her happiness and therefore she will fight to get Marco and to finally save him. At the end it is not so clear anymore who is protecting whom. What I mostly enjoy in Laura Kaye books is the way she depicts very real and breathtaking characters in very a very small amount of pages. The reader is caught in the story and lives with the hopes and fears of the main characters if the book. Even though the plot is not really new, the way the author writes makes this a good book. There are some really hot, some really sweet and some really sad moments here. I hope you'll enjoy it as much as I did MBTM

Kurzbeschreibung She's always been off-limits Former Army Special Forces Sgt. When Alyssa takes a job at the bar where Marco works, her carefree smiles wreak havoc on his resolve to bury his feelings. How can he protect her when he can't stop thinking about her in his bed? But Alyssa's not looking for protection anymore. Now that she's back in his life, she's determined to heal her forbidden hero, one touch at a time
