portraitiert, die heldin des jeweiligen romans ebenfalls gut ausgedacht. ich habe mit einer geschichte in einer roman-sammlung angefangen, mute aber gleich alle anderen romane herunterladen weil ich unbedingt wissen wollte wie die anderen mnner der ungewhnlichen detektiv- und bodyguardagentur an die frau gebracht werden. kurzweilig und herzerwrmend. aber auch sexy. sehr zu empfehlen!0 von 0 Kunden fanden die folgende Rezension hilfreich. Love them allVon Maria sterreicherI looooooove it. Since I downloaded the book I read en reread it a thousand times. The whole LNF series is my new favourite. all the guys are similar and their experiences with their handicap but on the other side totally different. Each of them is an individual after all. Can I have one of them? Preferably Grif or Zeke (Geeez, I love tall men).
