Von Leanne Banks : Her Forever Man (Lone Star Families: The Logans) before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Forever Man (Lone Star Families: The Logans):

It was an easy-read with a story line that moved quickly.The relationships between Felicity and Brock and Felicity and his children were well-developed and believable. The added twist of the Logan curse helped to enhance the story. I would have liked a little more detail about the foundation that was set up.I also enjoy that this is part one of a series (Lone Star Families). I am looking forward to reading the next two books when I suspect I'll find out more about Felicity and Brock as well as Tyler and Martina!0 von 0 Kunden fanden die folgende Rezension hilfreich. Not one of Leanne Banks' bestVon Ein KundeI've read many books by Leanne Banks and this is not one of her better ones.This is the story of Brock Logan, a cattle

rancher, and Felicity Chambeau, his new "silent partner". Brock is not happy about having Felicity stay at the ranch, but they try to be civil to each other. Felicity begins to care about Brock's children and eventually Brock sees that Felicity is not a shallow person. Both characters have a lot of emotional baggage to overcome in their quest for happiness.

KurzbeschreibungAll single dad, ranch owner, Brock Logan wants is peace. When Manhattan heiress, Felicity Chambeau, shows up on his doorstep, Brock might as well kiss his peace good-bye. Despite her best intentions, Felicity disrupts his ranch, his home, and most of all his heart. Adrift after the loss of her parents, she longs to feel more useful. Being with Brock and his children gives her a sense of belonging she has never experienced. She starts to fall for Brock, but the Logans have a history of bad luck in matters of the heart, and in order to get through to Brock, Felicity must love him enough to break the Logan curse.
