Von Lisa Mondello : Her Heart for the Asking: a western romance (Texas Hearts Book 1) (English Edition)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Heart for the Asking: a western romance (Texas Hearts Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. A real romantic book!Von contental like the story. It's deep and rich in emotions. It's very romantic and there is not sex

scenes like in others. I was fed up with romantics books full of erotics scenes and empty of romaticism. Howeverer, I've missed a more developed ending
