**Von Kate Rothwell : Her Mad Baron (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Mad Baron (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Handlung 2 Sterne, Sex 5 SterneVon BschungshobelWer hier ausfhrlich beschriebene Verfrhungs- und Sexszenen lesen mchte, ist meiner Meinung nach richtig. Aber die Handlung leidet darunter. Die Anstze sind nicht schlecht, aber die Geschichte ist eher in die Sexszenen integriert als anders herum, und darunter leidet die ganze Story.0 von 0

Kunden fanden die folgende Rezension hilfreich. Realistic and scary! Von eva\_\_ The way Nathaniel was imprisoned and drugged is probably something that did happen quite a bit at a time when the medical profession was still developing basic skills. Not pleasant to think about! I did enjoy reading the rest of the book after he was freed, though.

Kurzbeschreibung Nathaniel, the new Baron Felston, awakes from a fever to discover hes a prisoner on his own estate. At first, certain hes gone insane, Nathaniel learns potent opiates are the cause of his strange vision. But, barricaded in a small room, he cant outwit his mysterious jailer. Determined to steal back one of her fathers swords, Florrie Cadero gets more than she bargained for when she breaks into the barons mansion. The dashing, drugged man in the locked room soon sweeps her into his story and his bed. When she discovers theyre trapped together, she devises a clever escape. Addicted to his captors drugs and bent on revenge, Nathaniel seeks out the feisty thief who freed him. Florrie, now a shopgirl, has foresworn her life of adventure. But Nathaniels offer of employment intrigues her. Together they must break his addiction and expose the villain who would destroy his life. Originally published as The Mad Baron by Summer Devon. This version includes the first chapter of The Powder of Love.
