Even though it was five years ago I read it it is still stuck in my memory. A piece of art in the feministic writing.I .de clerq1 von 3 Kunden fanden die folgende Rezension hilfreich. Disappointing unbalanced view of lifeVon Ein KundeThis book was a depressing survey

of how women perceive that they are slighted by men. The characters in this book (and the author herself?) blame men for every bad thing that happens to them and on earth, for that matter, rather than taking responsibility for their own destiny. After reading this book, I had the distinct impression that the author, Marilyn French, hates men and is bent on telling the world about it. Unrealistically, each male character in the book was portrayed as unsympathetic if not downright evil. While there are certainly unkind and bad men in the world, this unbalanced view of life made the author lose credibility. I know that Marilyn French is a well-known author of women's books, but I would never read anything by her again. (By the way, I am female.)

KurzbeschreibungFamed feminist Marilyn French's life-affirming saga celebrates the love and sacrifices of four generations of Polish-American mothers and daughters. With Bella Dabrowski close to death, her daughter Anastasia, who has reinvented herself as Stacey Stevens, is trying to penetrate the longstanding barriers between them to understand the woman who gave her life. Through the eyes of Stacey, a divorced, feminist New York photographer, we get to know Bella, a remarkable woman, wife, and mother. The daughter of Polish immigrants, Bella, who renamed herself Belle, clawed her way out of poverty and settled into a middle-class existence. Shifting perspectives between the two women, the reader is drawn into Belle's life through the lean years of the Depression as well as Stacey's recollections of her youthful marriage, a lesbian affair, and her tempestuous relationship with her own daughter, Arden. From the groundbreaking author of *The Women's Room*, *Her Mother's Daughter* explores past and present to reveal the complex, indestructible bonds between daughters and mothers.
