**Von Kelly Quindlen : Her Name in the Sky (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Name in the Sky (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
Amazing. Best Story in a long time.Von ioI really liked the development of the plot an especially the characters. I read it three times now and could read it over and over again.1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Definitiv einer der besseren Coming Out RomaneVon CustomerComing Out Story wie man sie kennt und wie sie einen dennoch erneut schmerzlich mit der Protagonistin mitfiebern lsst. Hannah und Baker, zwei beste Freundinnen,

entwickeln Gefühle freinander und während die eine versucht das Gespräch mit der einen zu suchen, versucht die Andere alles um bloß nicht mit der Realität konfrontiert zu werden. Herzschmerz hoch drei für die Protagonistinnen und die LeserInnen. Das Einzige an diesem Buch womit ich nicht so viel anfangen konnte sind die zitierten Bibelstellen die mir auf Dauer ein bisschen zu viel geworden sind und ich an manchen Stellen unpassend fand. Ansonsten einer der besseren Coming Out Romane. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles und sehr einfühlsam erzähltes Buch. Von Ben Gun Es ist beeindruckend, wie man dem Thema Coming Out im letzten High School Jahr immer wieder neue Facetten abgewinnen kann. Klar geht es hier um die Gefühle, welche die 17-jährige Hannah und die 18-jährige Baker freinander haben und wie unterschiedlich die beiden damit umgehen. Viel wichtiger ist in diesem Buch die Auseinandersetzung darüber, ob diese Gefühle gut oder schlecht, von Gott gewollt oder verderblich sind. Dabei ist der Hintergrund der Geschichte an einer katholischen Schule in Louisiana ein sehr gutes Beispiel. Die Autorin beschreibt sehr einfühlsam die Gefühlsverwirrungen, die Angst und die Scham, denen Hannah ausgeliefert ist. Und doch ist sie mutig und vor allem von Liebe zu Baker erfüllt. Und dies, obwohl Baker ihre Gefühle unterdrückt und Hannah immer wieder im Stich lässt, weil Baker der Mut fehlt, sich zu ihr zu bekennen. Ein beeindruckendes Plädoyer für die Liebe. Aber auch für die Freundschaft. Das Buch ist ungeheuer spannend, mit viel Einfühlungsvermögen und Gefühl geschrieben. Und dabei immer wieder religiöse Anspielungen und Symboliken verwendet. Für mich ein sehr empfehlenswertes Buch, in einer Reihe mit 'She came at dawn', 'She's my ride home' oder 'Suddenly'

Kurzbeschreibung Seventeen-year-old Hannah wants to spend her senior year of high school going to football games and Mardi Gras parties. She wants to drive along the oak-lined streets of Louisiana's Garden District and lie on the hot sand of Florida's beaches. She wants to spend every night making memories with her tight-knit group of friends. The last thing she wants is to fall in love with a girl--especially when that girl is her best friend, Baker. Hannah knows she should like Wally, the kind, earnest boy who asks her to prom. She should cheer on her friend Clay when he asks Baker to be his girlfriend. She should follow the rules of her conservative community--the rules that have been ingrained in her since she was a child. But Hannah longs to be with Baker, who cooks macaroni and cheese with Hannah late at night, who believes in the magic of books as much as Hannah does, and who challenges Hannah to be the best version of herself. And Baker might want to be with Hannah, too--if both girls can embrace that world-shaking, wondrous possibility. In this poignant coming-of-age novel, Hannah must find a compromise between the truth of her heart and the expectations of her community. She must break through her shame and learn to trust in the goodness of her friends. And above all, she and Baker must open their hearts to the saving power of love. Raw, moving, and teeming with unforgettable characters, Her Name in the Sky is a modern love story about the teenage quest for identity and the redeeming power of the human heart.
