Von Gaelen Foley : Her Secret Fantasy: A Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Her Secret Fantasy: A Novel:

Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 6 Kunden fanden die folgende Rezension hilfreich. Very good - Funny, suspenseful, ... Von JN12A very good read, I must say. Lily Balfour is her family's last hope to prevent financial ruin. If she does what seems best for the sake of money, she would have to marry a rich gentleman. By sacrificing herself that way, she would be able to repay the help her family had given her ten years earlier, when she had brought shame upon the family, as her mother says. I could say how, but that probably would spoil the read... Now, being in London, with her eyes fixed on every man who has the fortune, these very eyes betray her - by being drawn to a very handsome, very impressive and by no way fortune-holding younger son of an aristocrat. Derek Knight, second son of Arthur Knight and therefore a member of Foleys' impressive Knight clan, just came to England from military service in India (see "Her Only Desire"). He's on a mission. He has to find out, who embezzled the money that should have been sent to the British forces in India. On the list of suspects is - among several others - one person, who has something he also would like to have. No, not money or fine horses. A wife-to-be (no fiancée, since mentioned suspect hadn't asked the woman yet), who is called ... well, Lily Balfour of course. So he sets out to ensure that she is safe and in good hands - his hands if possible.***Now I'll write my personal opinion, which may somehow spoil you're reading adventure, if you want to have the full suspense of the story without any influence. I hope it's useful nonetheless. I liked this story very much, because of the strong bond between hero and heroine, the suspenseful story and the good portrayed characters. It's not only witty dialogue and sex as in some other novels of the genre, but (additionally) a mix of bad fate, psychical problems and supportive (not ever doubting/fighting protagonists, where one wonders why they love each other) lovers.***I'm sorry if my English is partly a bit bad or the spelling is wrong, but since I have not much practice and no working spelling-corrector I hope you'll excuse it. 2 von 3 Kunden fanden die folgende Rezension hilfreich. Schade drum: Schwächerer Teil der Serie Von Beatrice Berger Schade drum: Schwächerer Teil der Serie Lily Balfour hat eine Mission: reich heiraten und das Familienvermögen wiederherstellen. Lily Balfour hat ein Problem: sie ist keine Jungfrau mehr. Also kann der Auserwählte nur ein Mann sein, den dieser Mangel nicht stört. Der soziale Aufsteiger Edward Lundy scheint der richtige Kandidat zu sein, bis unversehends Derek Knight auf der Bildfläche erscheint: denkbar ungeeignet, das zu arm und zu klug, als da man ihn belügen könnte. Sie will ihn nicht, und er mag keine Glücksritzerinnen, trotzdem sind sie unwiderstehlich zueinander hingezogen. Das ist an sich kein schlechter Plot, doch habe ich das Gefühl, da es Gaelen Foley von Buch zu Buch schwerer fällt, die Handlung ansprechend umzusetzen. Die Charaktere werden von Mal zu Mal schlampiger ausgearbeitet. Motive der Handelnden erweisen sich im Lauf der Zeit als nicht sehr originell, und was den finalen Showdown angeht, beginnt Gaelen Foley immer mehr Kathleen E. Woodiwiss zu gleichen, deren Bücher auch alle auf die gleiche Art enden: im Falle Foley ist es eine Art Gemetzel, bevor die Liebenden einander glücklich in die Arme fallen. Man mag, nachdem sich die 2. Knight-Serie jetzt dem Ende zuneigt, gar nicht glauben, da es sich um dieselbe Autorin handelt, die mit "the Duke" ein wirklich geniales Buch geschrieben hat! 2 von 3 Kunden fanden die folgende Rezension hilfreich. disappointing. Von Lola If this is your first Foley book, put it down and go back to any of her earlier books. This one was so disappointing. It started out promising, then just disintegrated. I caught myself in the middle realizing I was just skimming -- and I never skim! It takes almost to the end before Foley realizes oops! no consummation scene so she squeezes one in during the most improbable circumstance. Derek starts out as a sizzling hero and ends up very wishy-washy. I found it disjointed and anticlimactic... where were her editors?? Oh, well ... all of her others have been grand, so I will forgive this one for now! 1 I'd recommend reading Tino Georgiou's bestselling novel--The Fates--instead, if you haven't yet!

Kurzbeschreibung Regency Londons elegant ballrooms mask a daring world of erotic adventure. In this second novel in Gaelen Foleys Spicy Trilogy, a mysterious beauty with a devastating secret discovers, in the arms of a bold and fearless cavalry officer, passion that breaks all boundaries. Some say the aristocratic Balfour clan is cursed, a once-great family now in slow decline. Graceful Lily Balfour is her family's last hope, and she has come to London with one goal to marry a rich man. Her well-laid plans are balked, however, by the irresistible Major Derek Knight, a handsome highborn soldier and adventurer newly returned from India. Hardened by battles on India's lawless frontiers, Derek is not just a fighter but a skilled and insatiable lover a master of the Eastern arts of pleasure. Though Derek finds no shortage of willing women in London, it is the untouchable, aloof Lily who haunts him. After one stolen moment, he hungers for nights of sensual abandon to fulfill her fantasies and free her from her self-imposed prison. But he has come to England on a vital mission, and when Lily is pledged to a wealthy man suspected of corruption, Derek must thwart the treachery that ensnares them both for only then will ecstasy and the sweet promise of her heart be his to claim. Synopsis Some say the aristocratic Balfour clan is cursed, a once-great family now in slow decline. Graceful Lily Balfour is her family's last hope, and she has come to London with one ambition - to marry a rich man. Her plans are placed in jeopardy, however, by the irresistible Major Derek Knight, a handsome, highborn soldier and adventurer newly returned from India. Hardened by battles on India's lawless frontiers, Derek is not just a fighter, but a notorious rake, infamous for his many dalliances. Though Derek finds no shortage of willing women in London, it is the untouchable, aloof Lily who haunts him. After one stolen moment, he hungers for more. But Derek has come to England on a vital mission, and when Lily is pledged to a wealthy man suspected of corruption, Derek must thwart the treachery that is in danger of ensnaring them both...
