old Gussie Mudd decides it is time for her to marry. She asks her beau widower and tonsorial shop owner Amos Dewey if his intentions towards her are honorable, but he responds very poorly when he coldly informs her he has no plans to remarry. Amos still grieves for his deceased wife. Not wanting to end up as a spinster, the owner of a local ice plant decides to obtain the aid of her best employee, Rome Akers. In exchange for half ownership of the ice plant, Rome must pretend to court Gussie over the next six weeks in order to make Amos jealous. Reluctantly, Rome accepts because he wants to own a company and feels that Amos is right for Gussie. Gussie and Rome fool the townsfolk into believing they are seeing one another. Perhaps their success is in part due to the fact they have fallen in love with each another. However, Gussie still becomes engaged to Amos, leaving love out of the happiness equation. HERE COMES THE BRIDE is an entertaining Americana romance that brings small town Texas during the Teddy Roosevelt administration to life. The story line is fun much in the way of comedy of error romances when done correctly. The lead characters are warm and witty while the secondary cast adds insight to the era. Sub-genre fans will fully relish their time visiting Cottonwood, Texas during the first decade of the twentieth century and desire more such tales from Ms. Morsi. Pamela Morsi does it again Von Ein Kunde Here Comes The Bride by Pamela Morsi, shows once again that Ms. Morsi can make you feel the emotions of her characters, the happiness, the disappointments, the hopefulness. All the things you feel during courtship. Set in Texas, in a small town called Cottonwood, the main characters, Miss Gussie Mudd, owner of Mudd Manufactured Ice, in the days when ice was delivered, and her employee, Rome Akers, manager of the ice plant, begin a deception to get Mr. Amos Dewey to propose marriage to Gussie using "the green eyed monster" as the impetus. What unfolds is a courtship that was poignant and emotionally charged, you could feel what the players were feeling. The secondary storyline was the same. I have never been disappointed by one of Pamela Morsi's Novels (and I've read them all). She ranks right up there with LaVyrle Spencer and Jayne Ann Krentz.

Kurzbeschreibung There comes a time in every woman's life when she must get herself a man or give up the idea entirely... After three long years of patiently waiting for her reluctant, handsome, gentlemanly Amos Dewey, to pop the question, Augusta Mudd--owner of her small town's biggest factory--decides it's time to take matters in her own hands. With the help of her friend, ruggedly attractive Rome Akers, she's determined to make Amos jealous--and get him to the altar--before it's too late. Rome Akers wasn't ready to settle down. But by pretending to make Augusta his partner for life he had a chance to become her business partner instead. Yet despite his best intentions, the closer he gets to this intelligent, sweet woman, the stronger his feelings grow. Their tantalizing conversations and tender kisses ignite a desire more passionate than Roman ever imagined. Soon he'll do anything to make Augusta a bride--but only if he gets to be the groom.
