something about horses, you have to smile sometimes, and I think you can't take everything serious. The story likes to exaggerate a little, but it's an enjoyable tale and the idea of a book about guide-mini-horses is interesting. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Gewohnt fesselnd Von atticus Wieder beweist Frau Anderson wie man komplexe Figuren erschafft, die sich ihren inneren Dmonen mit Hilfe der groen Liebe und Familie stellen. Im Gegensatz zur Mainstream-Romance sind ernstere Themen wie Kindesmisshandlung, Blindheit und Psychologie Leitthemen, die eingehend recherchiert dargestellt sind. Besonders gut gelungen ist das Erzhltempo, mit dem der Plot vorangetrieben wird. Es wird Wert auf Details gelegt ohne dabei "Durststrecken" zu verursachen. Alles in allem lesenswert, nicht nur wegen des Happy Ends, sondern wegen des Weges, den die Figuren bis dahin allein und zusammen zurcklegen.

Kurzbeschreibung New York Times bestselling author Catherine Anderson will touch your emotions with the story of woman who brings out the best in a daredevil cowboy in this Harrigan Family novel. At twenty-eight, Mandy Pajack has spent most of her life taking care of others. Since the accident that took her younger brother's sight, Luke's complete reliance on Mandy's care has left both of them feeling trapped. But when Mandy meets handsome Zach Harrigan, she thinks she's found the ticket to her brother's happiness. Of the five Harrigan siblings, Zach was the hellion who partied hard and took nothing seriously. But when his life starts to feel empty, Zach decides to employ his skills as a horseman to train a mini guide horse for the blind--never expecting the project will lead him to beautiful, tender-hearted Mandy. Even though she's charmed by Zach's patience and compassion, Mandy can't bring herself to fully trust him. And when Zach urges her to confront the truth about her mother's disappearance, the secrets they uncover are so shocking that even Zach's steadfast devotion may not be enough to win her heart... Pressestimmen This is another wonderful, very emotional story of the Harrigan family, which takes a look at the long-term effect of childhood abuse. The phobias of the heroine and her brother are easily believable. There is also fascinating insight into the training of guide animals and the important roles they play in the lives of the people they help. RT Book s You cant help but loving Zach. Hes a good-looking cowboy with a horse ranch and because of his wild past, he has a deeper level of calm. Pair him with Mandy, a totally devoted family girl who becomes a hellion of her own when pushed too far and you have a match made in Heaven. Once Upon a Romance More Praise for Catherine Anderson One of the finest writers of romance.
