KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. gut, aber

zu kurz Von Familienmanagerin Die Kurzbeschreibung auf gibt schon in etwa den Inhalt des Buches dar und wenn ich hier jetzt nher darauf eingehen wrde, wre dann auch schon alles zu der Geschichte gesagt, weshalb ich darauf verzichte (der Leser soll ja auch noch etwas davon haben ;-)) Es handelt sich um eine Kurzgeschichte, die durchaus packend ist und auch Potential fr mehr gehabt htte, also die Vorgeschichte der beiden nher beleuchten, die politischen Systeme und der Umbruch - oder auch das Zueinanderfinden. So ist es eine Kurzgeschichte, die nur einen kurzen Zeitraum umfat, der Leser wird mitten hinein geworfen und mu sich erst zurecht finden. Die Personen selbst sind sehr sympathisch geschrieben, aber auch ihnen htte mehr *Farbe* gut getan. Deswegen insgesamt nur 3 Punkte. Bekommen habe ich die Kindle-Version in einer Gratis-Aktion, weshalb es fr mich ok war !

Kurzbeschreibung From New York Times and USA Today Best-Selling Author, Rebecca York They were friends as children, she from the master race, he born to servants on her father's estate. But in the bloody rebellion that followed, his people were the victors. Now he's home, reaping the spoils of war. But both of them have been chewed up and spit out by what happened to them in the conflict. Can they heal each other's wounds and find the love both of them have always craved? Link has lost most of one leg, and there's still poison in the stump. He's ashamed of his mangled body and hates having Kassie see it. EXCERPT: He must have slept. The next thing he knew, he was awake and listening to stealthy feet moving in the darkness. His hand shot to the gun. The intruder was quicker, surer. He heard the weapon clank onto the stand beside the bed. "It's all right," Kasimanda whispered. Some of the tension went out of him. In the semi-darkness, he could see her only in outline. When he remembered she could see him a lot better, his stomach knotted. "What're you doing here?" he growled, trying to pull the bedding over the stump of his right leg. Her hand covered his. "Lie still." He felt the mattress shift as she came down beside him. "I'm going to take care of the wound." "No." He tried to slide away, but one of her hands gripped his shoulder, stilling him. When the other hand touched his ruined flesh, he went rigid. "Don't." "It's all right," she answered, a quaver in her voice. "I understand." He uttered a short, humorless laugh. "Yeah? And how in Atherdan's name could you understand? What have you lost?" The instant the words left his mouth, he regretted them. Consumed by pain and humiliation, he'd forgotten what she'd told him only a short time ago--that, indeed, she'd lost everything. She didn't reply, only stared at him. He couldn't hold her gaze, had to look away. For several more moments, silence hung in the darkness between them. Then her fingers flattened against his hot skin. "Let me see if this salve works," she whispered. "I want it to work. I want to give you that. Maybe it's all I can give you." **More sexy, action-packed science-fiction romance stories in Rebecca York's Off-World series: #1 - Hero's Welcome - Sexy science-fiction romance short story #2 - Nightfall - Sexy science-fiction romance novella #3 - Conquest - Sexy science-fiction romance short story #4 - Assignment Danger - Sexy science-fiction romance novella #5 - Christmas Home - Sexy science-fiction romance short story #6 - Firelight Confession - Sexy science-fiction romance novella **The Off World Collection includes Hero's Welcome, Conquest, and Nightfall. **For more sexy, action-packed thrillers from Rebecca York, check out the stories in her Decorah Security Series: #1 On Edge - Paranormal romantic-suspense novella - introduces the founder of Decorah Security Agency #2 Dark Moon - Paranormal romantic-suspense novel #3 Chained - Paranormal romantic-suspense novella #4 Ambushed - Paranormal romantic-suspense short story #5 Dark Powers - Paranormal romantic-suspense novel #6 Hot and Dangerous - Paranormal romantic-suspense short story #7 At Risk - Paranormal romantic-suspense novel #8 Christmas Captive - Paranormal romantic-suspense novella #9 Destination Wedding - Paranormal romantic-suspense novella #10 Rx Missing - Paranormal romantic-suspense novel #11 Hunting Moon - Paranormal romantic-suspense novel #12 Terror Mansion - Paranormal romantic-suspense novella #13 Outlaw Justice - Paranormal romantic-suspense novella #14 Found Missing - Paranormal romantic-suspense novel #15 Preying Game - Paranormal romantic-suspense novel **The Decorah Security Collection includes Chained, Dark Powers, Hot and Dangerous, and Ambushed.
