Von Eve Langlais : Heroic Abduction (Alien Abduction Book 5) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Heroic Abduction (Alien Abduction Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Who doesnt love a hero?Von EvaDyre, galactic hero and purple hunk, is always on the lookout for a new quest. Man-eating monsters, marauding mobs, or damsels in distress - he's here to save the day. And accept the reward for his valorous

deeds from the grateful populace, of course. For some reason, these rewards tend to consist of carnivorous plants or other similarly dangerous gifts, but that's surely a sign of respect for his mighty prowess. Right? I mean, it's not like he destroyed their village on purpose. Or deliberately set their holy tree on fire. And how was he supposed to know that the woman was married to the chieftain? She, like, threw herself at him. There's absolutely no call to refer to him as 'the menace'. He's a gallant warrior for right and justice, darn it. In his latest adventure, Dyre saved a human barbarian named Betty, who'd be right pretty if someone dunked her in purple dye, from a dangerous troll. So why isn't she properly grateful? And why won't she do as she is told? Her stubbornness keeps putting her in danger. How can he stay true to his heroic ideals if he has to ruthlessly slay all those who threaten her? If he isn't careful, he will revert to his mercenary roots. He cannot let this happen. Betty is his damsel. His princess. His reward for all his noble deeds. His happily-ever-after. Now, where is this confounded dragon he has to slay? There has to be one somewhere, all the books he read as a child said so. Anyway, this has gotten a little longer than I expected, but as you can see, I had a blast with this book. So funny. Dyre is a great quixotic hero. There's lots and lots of lovely humor, a nice amount of romance, and a few nice sex scenes. I can recommend this book to anyone who's looking for some lighthearted romance. This is book 5 in a series, but it can easily be read as a standalone. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Unterhaltsam Von Customer Die Story ist unterhaltsam aber nicht neu im Langlais Universum. Für mich war alles zu vorhersehbar. Deswegen ein Punkt abzug.

Kurzbeschreibung He's determined to rescue her, whether she likes it or not. Bucking family tradition, Dyre is determined to become his planet's first hero, even if it breaks his mother's heart. He sets out on numerous quests to bring justice to the universe. However, his altruism never seems to turn out quite as expected. Who knew doing the right thing was so hard? In between saving those who don't want his help and the chaos that follows, he rescues a damsel in distress. She doesn't appreciate his heroic abduction, and even worse, once Dyre gets to know the outspoken human, he entertains less-than-noble thoughts about ravishing her. It takes only a couple of comical mishaps, some hot kisses, and danger for Dyre and Betty, to discover their happily ever after and thank the stars for a heroine who ends up saving this hero, and the galaxy, from his chivalrous side.
