Von Emma Holly : Hidden Depths (Hidden Series Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Depths (Hidden Series Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great readVon NadineThe story of a couple that gets abducted by "wereseals" because she is the perfect match for Anso the king of the wereseals. With her husband and Anso's gay partner it becomes an interesting foursome with lovable

characters and lots of steamy hot sex scenes. I couldn't stop reading.

Kurzbeschreibung James and Olivia Forster have been happily married for many years. A harmless kink here or there spices up their love life, but they can't imagine the kinks they'll encounter while sneaking off to their beach house for a long hot weekend. Anso Vitul has ruled the wereseals for one short month. He hardly needs his authority questioned because he's going crazy from mating heat. Anso's best friend and male lover Ty offers to help him find the human mate his genes are seeking. To Ty's amazement, Anso's quest leads him to claim not one partner but a pair. Ty would object, except he too finds the Forsters hopelessly attractive. Emma Holly's gift for sensual detail is absolutely stunning.--NYT bestseller Susan Sizemore I feel as if I am actually friends with these characters . . . groundbreaking . . . an absolute Must Read--You Gotta Read s on The Assassins' Lover "An erotic powerhouse that dives right into what readers love best about the . . . amazing mind of Ms. Holly."--Whipped Cream s on The Assassins' Lover
