Kurzbeschreibung*Winner of the 2017 Crime Writers' Association Diamond Dagger**Vera Stanhope will return in The Seagull*Hidden Depths is the third book in Ann Cleeves Vera Stanhope series which is now a major ITV detective drama starring Brenda Blethyn, VERA. A hot summer on the Northumberland coast and Julie Armstrong arrives home from a night out to find her son strangled, laid out in a bath of water and covered with wild flowers. This stylized murder scene has Inspector Vera Stanhope intrigued. But then another body is discovered in a rock pool, the corpse again strewn with flowers. Vera must work quickly to find this killer who is making art out of death. As local residents are forced to share their deepest, darkest secrets, the killer watches, waits and plans to prepare another beautiful, watery grave . . . Also available in the Vera Stanhope series are The Crow Trap, Telling Tales, Silent Voices and The Glass Room. Ann Cleeves Shetland series (BBC television drama SHETLAND) contains five titles, of which Dead Water is the most recent.PressestimmenPraise for Ann Cleeves: "Hidden Depths is a subtle, nuanced book, and Cleeves draws her characters with care and compassion. The landscape of rural Northumberland is vividly evoked and Inspector Stanhope--overweight, fallible, and driven by personal demons--is a terrific central character." --Tribune "Hidden Depths is another classic, traditional crime novel in a contemporary setting by Ann Cleeves, winner of last year's Duncan Lawrie Dagger... The story follows each of the main characters in turn, but it is fat, lonely Vera, awkward with her staff and unaware that they are frightened of her, who makes the biggest impression in this skilfully crafted mystery"--Sunday Telegraph "Cleeves sets a good scene, this time in Northumberland during a heatwave, and she brings a large cast to life, shifting points of view between bereaved relatives, victims, and suspects in a straightforward, satisfyingly traditional detective novel." --Jessica Mann, The Literary "It's a dark, interesting novel with considerable emotional force behind it." --Andrew Taylor, The Spectator "Cleeves's softly, softly approach delivers a powerful punch." --Peter Guttridge, The Observer "I do love Vera!" --Val McDermid "Nothing short of riveting." --Louise PennyWerbetextA killer watching . . . a community waits. . .
