Erotic!Von Anna SalamatinThis was a very easy,enjoyable read. A great mystery and HOT sex, what could be better?

I really like Lauren aka Jilly and Zander. Good strong characters each with their own set of skills. He is a cop and she is a Psychic and a Witch. Together they are a great team, both have had some bad past relationships and deserve a break, but I'm a firm believer in whatever is meant to be will always find a way. I do recommend this for 17 and up....some serious, crazy amazing erotic scenes! ENJOY!

KurzbeschreibungPsychic Jilly Livingston is on the run after stabbing an abusive ex-boyfriend. Now living under a new identity in a spiritualist camp far away, she is hesitant to help sexy detective Zander Parsons find a missing teenager. Although working with a cop jeopardizes her new life, she feels compelled to help the girl who reached out to her through a psychic vision. But when a faceless stalker targets her, she has no choice but to put her trust and her heart on the line.
