**Von Jayne Ann Krentz : Hidden Talents (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Talents (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. Not just a great read - a great re-read!Von Ein KundeYes, I have read this book several times. It is just as good the fourth time

as the first. If you like your books with strong male and female characters, you will like Jayne Krentz. Serenity is not like many female characters I have read, she is gentle but strong, caring and loyal. I love her uniqueness and her 'alternative' lifestyle. Caleb is a man who never really knew if he was loved and does not really believe it exists. The two meet amidst a murder mystery which they try to solve as well as putting their own lives back together. What a great couple. And I loved the secondary characters! I think you will too.0 von 0 Kunden fanden die folgende Rezension hilfreich. Curiouser and curiouser...Von KaeI enjoyed the read. The best parts were those little snippets of visions in the cove. Her jerk of an ex-boyfriend was not funny and not cute. He was annoying as hell and really could have been written differently. Serenity had the best end of the deal in her relationship with Caleb. They were great together. The main problem I had was in her soft-hearted approach to her slime of an ex.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of her bestVon Jo Taylor (jolyn@davis.uswest.net)I have read every book Jayne Ann Krentz has ever written--several times--and this is one of her best. She does strange and unusual characters especially well, and this book abounds with REALLY strange ones. But they are all endearing, even the strangest of them turn out to have their strong points, and the characters grow and change over the course of the novel. This one will make you laugh. It may also make you cry--just a little. Definitely a keeper.

KurzbeschreibungA Jayne Ann Krentz Classic. Witt's End is in trouble. The small town of artists is at risk of disappearing from the map if Serenity Makepeace can't expand her small grocery store into a mail order enterprise to sell her neighbors' handcrafted goods. High-priced start-up advisor Caleb Ventress was intrigued by Serenity's impassioned letter. A small town grocer wasn't high profile enough for him, but her request earned her a meeting. And Calebs's attraction to her earned her a few more. But when someone tries to blackmail Serenity, her future, and possibly even her life, is at risk.KurzbeschreibungA Jayne Ann Krentz Classic. Witt's End is in trouble. The small town of artists is at risk of disappearing from the map if Serenity Makepeace can't expand her small grocery store into a mail order enterprise to sell her neighbors' handcrafted goods. High-priced start-up advisor Caleb Ventress was intrigued by Serenity's impassioned letter. A small town grocer wasn't high profile enough for him, but her request earned her a meeting. And Calebs's attraction to her earned her a few more. But when someone tries to blackmail Serenity, her future, and possibly even her life, is at risk.Synopsis Unconventional Serenity Makepeace and conservative Caleb Ventress find themselves falling in love despite their diverse backgrounds and interests.
