eigentlich eher aus dem TV bekannt denn als Autorin, aber ich hoffe, sie schreibt noch mehr Bücher. Wirklich nett zu lesen, klare Empfehlung.

**Kurzbeschreibung** The best-selling novel by Fern Britton author of *The Holiday Home* and *The Seaside Affair*. Perfect for fans of Katie Fforde and Celia Imrie. Helen Merrifield decides to start afresh and put her old life behind her in the picture-postcard Cornish village of Pendruggan. Throwing herself into the local scene, Helen finds herself at the mercy of the rather desperate Vicar, but she is secretly drawn to the brooding local historian, Piran. Meanwhile, Helen's best friend, Penny, decides that the village is the perfect setting for her new TV series. When the cast and crew descend, the village is thrown into a tizzy, but Helen has her hands full fending off her philandering ex-husband, who seems determined to charm his way back into her bed. Should Helen hold on to the past? Or will Cornwall give her something new to treasure?

**Pressestimmen** Praise for Fern Britton 'Complicated friendships and tales of a chaotic love life make this a must-read.' *Woman* 'A light-hearted, fun read that perfectly captures the sights and smells of village life.' *Heat* 'Fern Britton has transferred her fun and friendly charm to the page' *Good Housekeeping* Full of warmth and charm with characters that quickly feel like old friends.' *Alexandra Brown*
