Von Lisa Gardner : Hide: A Detective D. D. Warren Novel (Detective D.D. Warren) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hide: A Detective D. D. Warren Novel (Detective D.D. Warren):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich.
VersteckspielVon GerdaVon Kindheit an ist Annabelle an permanente Ortswechsel gewhnt. Nirgends werden sie und ihre Eltern sesshaft. Was erst wie ein Spiel aussieht, wird fr sie immer ernster, als sie erkennt, dass eine Gefahr auf sie lauert, die sie nicht deuten kann, aber deren Prsenz sie sich schmerzlich bewusst ist. Sie lebt einsam und zurckgezogen, bis eines Tages in eine Gruft mit sechs Kinderleichen entdeckt wird und eine der Leichen ihren Anhnge trgt. Annabelle wendet sich an die Polizei, eine tdliche Verfolgungsjagd beginnt.Hide ist ein weiterer D.D. Warren Roman. D.D. und ihre Crew begleiten den Leser bei einer hautnahen Verbrechensaufklrung. Flott und spannend geschrieben, auch wenn ich die Auflsung nicht wirklich schlssig finde.1 von 1 Kunden fanden die folgende Rezension hilfreich. spannende UrlaubslektreVon bcher-wurmSehr spannende fortsetzung des Vorgngers Alone. Vielleicht kein Meisterwerk fr literarisch Anspruchsvolle, aber stimmig und fesselnd. Glaubwrdige Charaktere, klare Story und kein 08/15 Thriller. Ohne zuviel verraten zu wollen, aber das Ende htte vielleicht auch ein wenig schlanker sein knnen, die Autorin hat da nochmal richtig in die Verwirrungskiste gegriffen. Fr den Urlaub oder einen kalten winterabend auf der couch aber genau das Richtige: konnte das Buch nicht mehr aus der Hand legen!

KurzbeschreibungBONUS: This edition includes a new afterword: Lights, Camera, Hide the movie! You have good reason to be afraid. . . . It was a case that haunts Bobby Dodge to this daythe case that nearly killed him and changed his life forever. Now, in an underground chamber on the grounds of an abandoned Massachusetts mental hospital, the gruesome discovery of six mummified corpses resurrects his worst nightmare: the return of a killer he thought dead and buried. There's no place to run. . . . Bobbys only lead is wrapped around a dead womans neck. Annabelle Granger has been in hiding for as long as she can remember. Her childhood was a blur of new cities and assumed identities. But whator whoher family was running from, she never knew. Now a body is unearthed from a grave, wearing a necklace bearing Annabelles name, and the danger is too close to escape. This time, shes not going to run. You know he will find you. . . . The new threat could be the dead psychopaths copycat, his protgor something far more terrifying. Dodge knows the only way to find him is to solve the mystery of Annabelle Granger, and to do that he must team up with his former lover, partner, and friend D. D. Warren from the Boston P.D. But the trail leads back to a woman from Bobbys past who may be every bit as dangerous as the new killera beautiful survivor-turned-avenger with an eerie link to Annabelle. From its tense opening pages to its shocking climax, Hide is a thriller that delves into our deepest, darkest fears. Where there is no one to trust. Where there is no place left to hide.From Publishers WeeklyStarred . In bestseller Gardner's first-rate follow-up to Alone (2005), Bobby Dodge, once a sniper for the Massachusetts State Police and now a police detective, gets called to a horrific crime scene in the middle of the night by fellow detective and ex-lover D.D. Warren. An underground chamber has been discovered on the property of a former Boston mental hospital containing six small naked mummified female bodies in clear garbage bags. A silver locket with one of the corpses, which may be decades old, bears the name Annabelle Granger. Later, a woman shows up at the Boston Homicide offices claiming to be Annabelle Granger. Her resemblance to Catherine Gagnon (whose life Bobby saved in Alone) helps stoke a romance between her and Bobby both subtle and sizzling. The suspense builds as the police uncover links between patients at the hospital and long-ago criminal activities. Through expert use of red herrings, Gardner takes the reader on a nail-biting ride to the thrilling climax. (Feb.) Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.From Booklist*Starred * Gardner fans look out: this one will take your breath away. Near the grounds of an abandoned mental hospital, a buried chamber is discovered. Inside are six bodies, one of which may be that of a girl who has been missing for two decades--the best friend of a woman, Annabelle, who has spent her childhood moving from city to city, from identity to identity, hiding from someone or something totally unknown to her. She's been safe for several years now, but a single act of bravery plunges her right back into a life of fear. This is a rich, complex tale that juggles a handful of mysteries at once. Who is the killer, and could it be someone connected with a notorious child murderer? Who or what was Annabelle's family running from? How did her father, a mathematician, know how to set up foolproof new identities? And why does an old sketch of a murder suspect look unsettlingly like Annabelle's father? Head and shoulders above anything else Gardner's written, this riveting novel represents the author at the height of her powers. David PittCopyright American Library Association. All rights reserved
