WitzigVon CustomerExCop hat eigene Detektei erffnet. Nun bekommt sie den Auftrag, den Saboteur einer

Sicherheitsfirma ausfindig zu machen. Natürlich funkelt es zwischen dem Eigentümer der Sicherheitsfirma und ihr. Aber auch hier müssen die beiden einige Hindernisse aus dem Weg räumen - und lernen einander zu vertrauen, bis sie endlich zusammenfinden. Was ich etwas eigenartig fand, ist die Tatsache, dass eine Sicherheitsfirma Hilfe von außen braucht. Was für Sicherheit verkauft sie? Aber das spielt letztendlich für die Handlung nur eine untergeordnete Rolle. Ich fand die Wortgefechte zwischen den Parteien sehr nett. Und dass die Heldin eine eigenständige Frau ist, die in sich selbst ruht und einen ausgeprägten Begriff von richtig und falsch hat.

den Autor und weitere Mitwirkende With an overactive imagination from an early age, Yvonne created vivid stories in her mind in which she was the lead character. It wasn't long before she decided to take these stories from her mind and pen them to paper. A romantic at heart, Yvonne loves short stories and romantic suspense. She writes primarily about relationships. At first, she wrote only for herself. But out of her passion for writing evolved a collection of stories. Yvonne has published two collections of short stories, "The Wedding and Other Short Romantic Stories," showcasing her romantic collection.
