Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. star-crossed lovers Von Feliz that's what Navy pilot Adam and hairdresser Harris are. Only they don't realize it. Well, they do, but never both at the same time. Both are so hung-up on presumptions and stubbornness, it takes a couple of

meddling friends to make them see the light. Cute and hot story, made even more enjoyable by this author's usual skilled writing.

Kurzbeschreibung Pilot Adam Walker has had one great love in his life: Harris Kingston. But twelve years ago, when he accepted a scholarship and joined the Navy, he chose duty to his country over love. Their on-again off-again relationship was never more than private joy, a frustrating fact of military life. Harris never wanted to be anyone's dirty little secret. When Don't Ask, Don't Tell was repealed two years ago, Adam broke his heart one last time. He's picked up the pieces and moved on, building a great career and dating guys who aren't afraid to be seen in public with him. But when Adam strolls into his salon asking for a haircut, his newfound happiness goes to hell in a handbasket. Adam's been at war with himself for over a decade. Now on the verge of leaving the military, he's desperate to court Harris the right way and be forgiven. With two weeks' leave and a Navy man's conviction, he's ready to start over if he can convince Harris he's ready to come out and commit. 26,000 words
