Von Terry Brooks : High Druid of Shannara: Tanequil (The High Druid of Shannara) before purchasing it in order to gage whether or not it would be worth my time, and all praised High Druid of Shannara: Tanequil (The High Druid of Shannara):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannende Fortsetzung der TrilogieVon Oliver Von SpreckelsenIrgendwie merkt man gar nicht, dass es sich bei Tanequil um den Mittelband einer Trilogie handelt. Auf den 390 Seiten passiert richtig viel. Nach dem Ende des ersten Bandes muss die Gruppe erst einmal mit dem Verlust zurecht kommen. Aber sie machen weiter und finden auch neue Gefährten für ihre Aufgabe. Währenddessen wird Grianne Ohmsford klar, was diejenigen, die hinter dem Anschlag stecken, wirklich wollen. Außerdem wird viel Wert auf Sen Dunsidan und die Schlacht zwischen der Federation und den Freien Völkern gelegt. Die Spannung flacht nie richtig ab, allerdings springen die Handlungsstränge zwischen vier oder sogar fünf Personen/Blickwinkeln hin und her. Das sind definitiv zu viele, da in dem Bemühen einen Überblick auch über die Bosen zu geben die Handlung zu stark auseinander gerissen wird. Sonst hätte der Band fünf Sterne bekommen.0 von 1 Kunden fanden die folgende Rezension hilfreich. Empfehlenswerte Fortsetzung seiner ShannaraSagaVon Ein KundeBei "Tanequil" handelt es sich um die konsequente Fortsetzung zu "Jaarka Ruus"; für Fans von Terry Brooks echt zu empfehlen; Einsteiger sollten erst mit den ersten Büchern seiner ShannaraReihe beginnen. Schön, dass er nun seine eigene Welt geschaffen hat (ohne zu starke Parallelen zum z.B. Herrn der Ringe). Alles in allem empfehlenswert.

KurzbeschreibungDark magic has opened a gateway to the Forbidding and trapped within it Grianne Ohmsford, rightful High Druid of Shannara. Rescuing Grianne will be merely the beginning of the effort to return the Four Lands to some semblance of peace. Only her young nephew, Penderrin, has any hope of returning her to power. But to breach the Forbidding and bring Grianne back to the natural world, Pen must find the fabled Tanequil . . . and the talisman it alone can provide. That means journeying into the Inkrima dreaded region thick with shadows and haunted by harrowing legends. And there, Pen will strike a bargain more dire than he could ever imagine.From the Paperback edition..deWar threatens the Four Lands, and Shannara's only hope lies in Penderrin Ohmsford, but it's a dreadfully slim hope. To save his world, Pen must restore his aunt, the former Ilse Witch, to her rightful position as High Druid of Shannara. But first Pen must free his aunt Grianne from the Forbidding: the world of the demons. To have the slightest chance of freeing her, he must find the mystical tree called the Tanequil, and somehow craft a talisman from its wood. But Shadea a'Ru, the treacherous usurper of his aunt's position, will do anything to stop Pen--and she has already captured Pen's parents and forced them to reveal their son's whereabouts. Sen Dunsidan, the monstrous Prime Minister of the Federation, has armed his greatest airship with a horrible new weapon. And Pen is just a boy, accompanied on his dangerous quest by only a Dwarf, a young Elf, and a blind Rover girl. Filled with action, treachery, and sacrifice, Tanequil will enthrall Terry Brooks's millions of fans as it roars to a shocking conclusion. However, newcomers to the Shannara series should not begin with Tanequil. It's the middle book of the High Druid of Shannara trilogy, and the thirteenth novel of a complicated high-fantasy series with numerous characters and sentient races. Newcomers should start with Jarka Ruus, the first book of the High Druid trilogy--or, better yet, with The Sword of Shannara, the first book of the series. --Cynthia Ward.comWar threatens the Four Lands, and Shannara's only hope lies in Penderrin Ohmsford, but it's a dreadfully slim hope.
