Hunting High And Low Paid OffVon Micah WoodfinAbout ten years ago, I read this book about a bunch of guys going out hunting in the mountains. After losing/misplacng/etc. the book, all I could remember of the book that the author's

name was David something and the word hunt was in the title. A few months ago, also being a sci-fi fan, I picked up something by Eddings, saw his other works, and bagged myself a copy of "High Hunt" which I've read a couple of times already, and recommended it to everyone. If you're looking for just a damn good read, this is it.0 von 0 Kunden fanden die folgende Rezension hilfreich. "High Hunt" is one of Eddings' best.Von Ben.Herzberger@Loomis.orgAfter completing the entire set of David Eddings' fantasy collection, I began to read "High Hunt." Immediately, the story drew me into it, and I was amazed at the depth of each character and the real-life sense that Eddings gives to the story. Although it was one of Edding's first books, it is one of his best.I am not ashamed to say that I read have this book over and over again, and I have not yet tired of it. I recently read "The Losers", by Eddings, as well, and loved it.0 von 0 Kunden fanden die folgende Rezension hilfreich. 'tis some helluva book to discover, you know ?Von Ein KundeI'm one of the younger Eddings Fans, actually having read his books from top to bottom (chronically speaking, sort of) for i started with the adventures of Sparhawk before falling in love with Polgara. And now this is my latest discovery and i can only say i am amazed again how intricately Mr. Edding's characters are desinged and yet - they all bear his spiritual genes and marks, if you take my meaning. If this is were it all began, where is he going to lead us in the future ?

KurzbeschreibungNow in ebook format.Down below in Tacoma, the group around Dan Alders' brother had been held together by a mutual taste for beer, spirits and endless arguments with a little lying and wife-stealing on the side. But now, high in the mountains on a test of endurance, jealousy is tearing friendships apart.KurzbeschreibungNow in ebook format.Down below in Tacoma, the group around Dan Alders' brother had been held together by a mutual taste for beer, spirits and endless arguments with a little lying and wife-stealing on the side.
