Annie Gibson.

Kurzbeschreibung In 1845 Annie Gibson can finally leave Salem Street. Her dreams of being able to open an elegant dressmaking salon in the High Street of Bilsden, a Lancashire mill town, have come true. And she is going to take her father and his second family with her, away from poverty, away from the Rows. But Annie has not left trouble behind. Someone is trying to undermine her business. Her family have their own ideas about what they want to do with their lives. And several men are persistently trying to win favour with the beautiful young widow - including Frederick Hallam, the mill owner, and Daniel O'Connor, her childhood friend.
