Von Hannah Howell : Highland Destiny (Murray Family Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Highland Destiny (Murray Family Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. An excellent storyVon Ein KundeThis is another great story from Hannah Howell - like all I have read from her so far! What I like most is that the story is not following the usual plots, but describing hero and heroine as people with flaws like they were real. And that an exciting "surrounding story" goes together with the romance part - I always get bored

if a story only describes love scenes and the unbelievable beauty of the hero and heroine. I am giving four stars for only one reason: For my taste it took too many chapters at the end of the book to get hero and heroine together. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A GOOD READ Von kaliannah The hero (Balfour) and heroine (Mauldie) are enemies -- yet the hero doesn't realize this right away -- he believes he's found a nursemaid (of course she's a stunning beauty and on a secret mission for vengeance) for his battle wounded brother (Nigel)...Mauldie soon realizes who the handsome warrior is...but decides to hide her identity as he's the one she'd sworn vengeance against. She grudgingly nurses his brother, while all the time warding off seductive advances from Balfour...Through a series of dangerous events and intrigue, the prideful couple realizes their strong love for one another -- but are still separated by deceit and misunderstandings...Mauldie Balfour seems well matched, strong characters and this story ends beautifully. I would recommend this title. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Medieval Scotland saga with depth Von natoule A Scottish Lord has to forego his dreams of peace after his enemy kidnaps his little brother. On her way to fulfill a deathvow to her mother, a young lass brings unexpected help. The plot is multilayered and shows all the facets of suspicion, trust, love, hate, hope, despair. The question on the importance of bloodties or upbringing and their consequences are also raised (will I become as bad as my parent was?). The heroes are endearingly "normal" with weaknesses. The writing style with lots of Scottish expressions provides for a lively reading. Hopefully the next 2 parts of this saga are as exciting (Highland Honor and Highland Promise).

Kurzbeschreibung A thrilling romance of fifteenth-century Scotland by a New York Times bestselling author! Bestselling Author Hannah Howell returns to the splendor of medieval Scotland in this first novel of her new trilogy a saga of clan warfare, divided loyalties, and forbidden love. Here, in the Scottish highlands of the fifteenth century, a powerful knight meets his match in a mysterious beauty bent on revenge. When destiny brought Sir Balfour Murray and his wounded brother down the same road as Maldie Kirkaldy, she offered her services as a nurse even as she tried to deny the desire this dark-eyed knight had ignited at first sight. Soon they discover that they both share a mission of vengeance, but Maldie cannot tell him her true identity--to do so would brand her a spy. Sworn to avenge his family as chief of the Doncoill Clan, Balfour vows to destroy his greatest foe, with Maldie at his side. Yet Balfour knows that he can no more afford to trust her than he can ignore his lust for this sultry beauty. Now, he is not only determined to unearth her deepest secrets, but also to pursue his passion for her. And nothing will stand in his way.
