Catriona, a gypsy performer, meets a wealth of possible suspects and tries to determine who done it. Hayden MacGowan, a.k.a. the Hawk, is effective as the young King James' loyal guard, hero and would-be-foil to Cat. She digs him, but can't tell him what's up. He grooves on her, but deems her too young and vibrant for a world worn highlander such as himself. Written in an easy and impeccably confident style, HIGHLAND HAWK successfully interweaves the romance, the external plot, and the relationships between Cat, Hawk and the twelve-year-old king. Cat is especially delightful, comfortable with her exotic allure, and fun to watch whether she's flying through the air or snooping in guests' rooms looking for clues. Hawk may be too fatherly a hero for some, but his years give him a laid back rather than gung-ho attitude. He suits Cat, though, much to his dismay. Ms. Greiman balances exposition, dialogue and backstory effortlessly throughout, a key to maintaining the forward momentum of the plot. The many characters are introduced at a pace that enables us to keep track, and each has a distinct personality. Both hero and heroine share equally in the outcome, an essential element in a satisfying romance. Humor, intelligence and warm relationship between Cat and Hawk, make this a must read, not only for sixteen century Scotland or Highlander aficionados, but all lovers of historical romance. 1 von 1 Kunden fanden die folgende Rezension hilfreich. All of The Highland Bride Series Von Peggy Perry I love all of them just wish it was not so hard to find the ones that are out of print. Makes me wish that I could go back to that time.

Kurzbeschreibung An emotional, romantic triumph! Romantic Times "Greiman's writing is warm, witty and gently wise." New York Times bestselling author Betina Krahn Scotland, 1524 Known as the Hawk, ruggedly handsome Haydn McGowan is the most loyal and fearsome warrior in the king's guard. Invulnerable to the temptations of boozing and women, Haydn shares his secrets with no one Until the enchanting Catriona, a gypsy lass, enters the castle to perform with her family and troop for the young King James. Sensuous, erotic and wild, Cat is everything that Haydn shuns in his life as a warrior. But try as he might, Haydn can't resist the charms of this alluring girl even though he's certain she's hiding secrets of her own. It's true that Catriona is on a mission, a desperate one at that and the man standing in her way is a very big and decidedly sexy obstacle. Seduction is her game and, surely, this rugged soldier won't be too much of a challenge. But an unexpected passion grows between the gypsy lass and the single-minded hero a passion and sensual love that neither wants to ignore. Each has secrets worth hiding, but so much more to lose if they can't reveal their hearts. Kurzbeschreibung An emotional, romantic triumph!
